Such documents and the documents incorporated by reference in this Registration Statement pursuant to Item 3 of Part II of Form S-8, taken together, constitute a prospectus that meets the requirements of Section 10(a) of the Securities Act.

PART II
INFORMATION REQUIRED IN THE REGISTRATION STATEMENT

Item 3. Incorporation of Certain Documents by Reference.

The following documents, which have heretofore been filed by the Registrant with the Commission pursuant to the Securities Act and pursuant to the Securities Exchange Act of 1934, as amended (the "Exchange Act"), are incorporated by reference herein and shall be deemed to be a part hereof:

- (a) the Registrant's [prospectus](#) filed pursuant to Rule 424(b) under the Securities Act on January 15, 2021 relating to the Registrant's Registration Statement on [Form S-1](#) (File No. 333-251107) originally filed with the Commission on December 3, 2020;
- (b) the Registrant's Current Report on [Form 8-K](#) filed with the Commission on January 19, 2021; and
- (c) the description of the Common Stock included under the caption "Description of Capital Stock" contained in the prospectus forming part of the Registrant's Registration Statement on [Form S-1](#) (File No. 333-251107), which description has been incorporated by reference in Item 1 of the Registrant's Registration Statement on [Form 8-A](#), filed pursuant to Section 12 of the Exchange Act, on January 11, 2021, together with any amendment or report filed with the Commission for the purpose of updating such description.

In addition, all documents subsequently filed by the Registrant with the Commission pursuant to Sections 13(a), 13(c), 14 and 15(d) of the Exchange Act, prior to the filing of a post-effective amendment to this Registration Statement which indicate that all securities offered hereby have been sold or which deregister all securities remaining unsold, shall be deemed to be incorporated by reference in this Registration Statement and to be a part hereof from the date of filing of such documents. Notwithstanding the foregoing, unless specifically stated to the contrary, none of the information that the Registrant discloses under Items 2.02 or 7.01 of any Current Report on Form 8-K that it may from time to time furnish to the Commission will be incorporated by reference into, or otherwise included in, this Registration Statement.

Any statement, including financial statements, contained in a document incorporated or deemed to be incorporated by reference herein shall be deemed to be modified or superseded for purposes of this Registration Statement to the extent that a statement contained herein or therein or in any other subsequently filed document which also is or is deemed to be incorporated by reference herein modifies or supersedes such statement. Any such statement so modified or superseded shall not be deemed, except as so modified or superseded, to constitute a part of this Registration Statement.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Not applicable.

Item 6. Indemnification of Directors and Officers.

The Registrant’s certificate of incorporation provides that a director will not be liable to the Registrant or its stockholders for monetary damages to the fullest extent permitted by the Delaware General Corporation Law (the “DGCL”). In addition, if the DGCL is amended to authorize the further elimination or limitation of the liability of directors, then the liability of a director of the Registrant, in addition to the limitation on personal liability provided for in the Registrant’s certificate of incorporation, will be limited to the fullest extent permitted by the amended DGCL. The Registrant’s bylaws provide that the Registrant will indemnify, and advance expenses to, any officer or director to the fullest extent authorized by the DGCL.

Section 145 of the DGCL provides that a corporation may indemnify directors and officers and other employees and individuals against expenses, including attorneys’ fees, judgments, fines, and amounts paid in settlement in connection with specified actions, suits, and proceedings whether civil, criminal, administrative, or investigative, other than a derivative action by or in the right of the corporation, if they acted in good faith and in a manner they reasonably believed to be in or not opposed to the best interests of the corporation and, with respect to any criminal action or proceeding, had no reasonable cause to believe their conduct was unlawful. A similar standard is applicable in the case of derivative actions, except that indemnification extends only to expenses, including attorneys’ fees, incurred in connection with the defense or settlement of such action and the statute requires court approval before there can be any indemnification where the person seeking indemnification has been found liable to the corporation. The statute provides that it is not exclusive of other indemnification that may be granted by a corporation’s certificate of incorporation, bylaws, disinterested director vote, stockholder vote, agreement, or otherwise.

The Registrant’s bylaws also contain indemnification rights for its directors and its officers. Specifically, the Registrant’s bylaws provide that the Registrant shall indemnify its officers and directors to the fullest extent authorized by the DGCL.

Further, the Registrant maintains directors’ and officers’ insurance to cover its directors, officers, and some of its employees for certain liabilities.

The Registrant has entered into written indemnification agreements with its directors and executive officers. The indemnification agreements provide its directors and executive officers with contractual rights to indemnification, and expense advancement and reimbursement, to the fullest extent permitted under the DGCL, subject to certain exceptions contained in those agreements.

The 2021 Plan provides protection for members of the Registrant’s board or directors or a committee thereof acting under the 2021 Plan for their reliance in good faith upon the advice of counsel, and provides that such individuals shall incur no liability except for as a result of gross negligence or willful misconduct in the performance of their duties with respect to the 2021 Plan.

Item 9. Undertakings.

(a) The undersigned Registrant hereby undertakes:

- (1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
- (i) To include any prospectus required by Section 10(a)(3) of the Securities Act;
- (ii) To reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement; and

- (iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the Registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in the Registration Statement.

- (2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
 - (3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
- (b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.
- (h) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

STANDARD TERMS AND CONDITIONS FOR
RESTRICTED STOCK UNITS

These Standard Terms and Conditions apply to the Award of Restricted Stock Units granted pursuant to the Petco Health and Wellness Company, Inc. 2021 Equity Incentive Plan (the “*Plan*”), which are evidenced by a Grant Notice or an action of the Committee that specifically refers to these Standard Terms and Conditions. In addition to these Standard Terms and Conditions, the Restricted Stock Units shall be subject to the terms of the Plan, which are incorporated into these Standard Terms and Conditions by this reference. Capitalized terms not otherwise defined herein shall have the meaning set forth in the Plan.

1. TERMS OF RESTRICTED STOCK UNITS

Petco Health and Wellness Company, Inc. (the “*Company*”) has granted to the Participant named in the Grant Notice provided to said Participant herewith (the “*Grant Notice*”) an award of Restricted Stock Units (the “*Award*” or “*RSUs*”) specified in the Grant Notice, with each Restricted Stock Unit representing the right to receive one share of Common Stock. The Award is subject to the conditions set forth in the Grant Notice, these Standard Terms and Conditions and the Plan. For purposes of these Standard Terms and Conditions and the Grant Notice, any reference to the Company shall include a reference to any Subsidiary.

2. VESTING AND SETTLEMENT OF RESTRICTED STOCK UNITS

(a) The Award shall not be vested as of the Grant Date set forth in the Grant Notice and shall be forfeitable unless and until otherwise vested pursuant to the terms of the Grant Notice and these Standard Terms and Conditions. After the Grant Date, subject to termination or acceleration as provided in these Standard Terms and Conditions and the Plan, the Award shall become vested as described in the Grant Notice with respect to that number of Restricted Stock Units as set forth in the Grant Notice. (b) As soon as administratively practicable following the vesting of the RSUs pursuant to the Grant Notice and this Section 2, but in no event later than 30 days after each vesting date, the Company shall deliver to the Participant a number of shares of Common Stock equal to the number of RSUs that vested on such date.

(c) Upon Participant’s Termination of Employment as a result of Participant’s death or Disability, all then Unvested RSUs shall become Vested RSUs.

(d) Upon Participant’s Termination of Employment for any other reason not set forth in Section 2(c), any then Unvested RSUs held by the Participant shall be forfeited and canceled as of the date of such Termination of Employment.

EXHIBIT A
STANDARD TERMS AND CONDITIONS FOR
RESTRICTED STOCK UNITS

(e) Upon a Change in Control, so long as Participant continuously provides services to the Company or its Subsidiaries from the Grant Date through such Change in Control, all then Unvested RSUs shall become Vested RSUs.

3. RIGHTS AS STOCKHOLDER; DIVIDEND EQUIVALENTS

(a) Participant shall not be, nor have any of the rights or privileges of, a stockholder of the Company in respect of any RSUs unless and until shares of Common Stock settled for such RSUs shall have been issued by the Company to Participant (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company).

(b) Notwithstanding the foregoing, from and after the Grant Date and until the earlier of (i) the Participant's receipt of Common Stock upon payment of RSUs and (ii) the time when the Participant's right to receive Common Stock upon payment of RSUs is forfeited, on the date that the Company pays a cash dividend (if any) to holders of Common Stock generally, the Participant shall be entitled, as a Dividend Equivalent, to a number of additional whole RSUs determined by dividing (i) the product of (A) the dollar amount of the cash dividend paid per share of Common Stock on such date and (B) the total number of RSUs (including dividend equivalents paid thereon) previously credited to the Participant as of such date, by (ii) the Fair Market Value per share of Common Stock on such date. Such Dividend Equivalents (if any) shall be subject to the same terms and conditions and shall be settled or forfeited in the same manner and at the same time as the RSUs to which the Dividend Equivalents were credited.

4. RESTRICTIONS ON REALES OF SHARES

The Company may impose such restrictions, conditions or limitations as it determines appropriate as to the timing and manner of any resales by the Participant or other subsequent transfers by the Participant of any shares of Common Stock issued pursuant to Vested RSUs, including (a) restrictions under an insider trading policy, (b) restrictions designed to delay and/or coordinate the timing and manner of sales by Participant and other holders and (c) restrictions as to the use of a specified brokerage firm for such resales or other transfers.

5. INCOME TAXES

To the extent required by applicable federal, state, local or foreign law, the Participant shall make arrangements satisfactory to the Company for the satisfaction of any withholding tax obligations that arise by reason of the grant or vesting of the RSUs. The Company shall not be required to issue shares or to recognize the disposition of such shares until such obligations are satisfied.

6. NON-TRANSFERABILITY OF AWARD

The Participant understands, acknowledges and agrees that, except as otherwise provided in the Plan or as permitted by the Committee, the Award may not be sold, assigned, transferred, pledged or otherwise directly or indirectly encumbered or disposed of other than by will or the laws of descent and distribution.

7. OTHER AGREEMENTS SUPERSEDED

The Grant Notice, these Standard Terms and Conditions and the Plan constitute the entire understanding between the Participant and the Company regarding the Award. Any prior agreements, commitments or negotiations concerning the Award are superseded.

8. LIMITATION OF INTEREST IN SHARES SUBJECT TO RESTRICTED STOCK UNITS

Neither the Participant (individually or as a member of a group) nor any beneficiary or other person claiming under or through the Participant shall have any right, title, interest, or privilege in or to any shares of Common Stock allocated or reserved for the purpose of the Plan or subject to the Grant Notice or these Standard Terms and Conditions except as to such shares of Common Stock, if any, as shall have been issued to such person in connection with the Award. Nothing in the Plan, in the Grant Notice, these Standard Terms and Conditions or any other instrument executed pursuant to the Plan shall confer upon the Participant any right to continue in the Company's employ or service nor limit in any way the Company's right to terminate the Participant's employment or service at any time for any reason.

9. GENERAL

(a) In the event that any provision of these Standard Terms and Conditions is declared to be illegal, invalid or otherwise unenforceable by a court of competent jurisdiction, such provision shall be reformed, if possible, to the extent necessary to render it legal, valid and enforceable, or otherwise deleted, and the remainder of these Standard Terms and Conditions shall not be affected except to the extent necessary to reform or delete such illegal, invalid or unenforceable provision.

STANDARD TERMS AND CONDITIONS FOR
RESTRICTED STOCK UNITS

These Standard Terms and Conditions apply to the Award of Restricted Stock Units granted pursuant to the Petco Health and Wellness Company, Inc. 2021 Equity Incentive Plan (the “*Plan*”), which are evidenced by a Grant Notice or an action of the Committee that specifically refers to these Standard Terms and Conditions. 2. VESTING AND SETTLEMENT OF RESTRICTED STOCK UNITS

(a) The Award shall not be vested as of the Grant Date set forth in the Grant Notice and shall be forfeitable unless and until otherwise vested pursuant to the terms of the Grant Notice and these Standard Terms and Conditions. (b) Notwithstanding the foregoing, from and after the Grant Date and until the earlier of (i) the Participant's receipt of Common Stock upon payment of RSUs and (ii) the time when the Participant's right to receive Common Stock upon payment of RSUs is forfeited, on the date that the Company pays a cash dividend (if any) to holders of Common Stock generally, the Participant shall be entitled, as a Dividend Equivalent, to a number of additional whole RSUs determined by dividing (i) the product of (A) the dollar amount of the cash dividend paid per share of Common Stock on such date and (B) the total number of RSUs (including dividend equivalents paid thereon) previously credited to the Participant as of such date, by (ii) the Fair Market Value per share of Common Stock on such date. As a condition to the receipt of the Award granted pursuant to the Grant Notice to which this Confidentiality and Inventions Agreement is attached and in consideration of the Participant's continued employment with the Company, the Participant hereby confirms the Participant's agreement as follows:

1. GENERAL

The Participant's employment by the Company is in a capacity in which he or she may have access to, or contribute to the production of, Confidential Information and the Company Work Product (both as defined below). The Participant's employment creates a relationship of confidence and trust between the Company and the Participant with respect to the Confidential Information and the Company Work Product as set forth herein. This Confidentiality and Inventions Agreement are subject to the terms of the Standard Terms and Conditions attached as Exhibit A to the Grant Notice to which this Confidentiality and Inventions Agreement is attached; provided however, that in the event of any conflict between the Standard Terms and Conditions and this Confidentiality and Inventions Agreement, this Confidentiality and Inventions Agreement shall control.

2. DEFINITIONS

Capitalized terms not otherwise defined herein shall have the meaning set forth in the Petco Health and Wellness Company, Inc. 2021 Equity Incentive Plan, as amended from time to time. For purposes of this Confidentiality and Inventions Agreement:

(a) "**Confidential Information**" shall mean information or material (i) that is proprietary to the Company or confidential to the Company, whether or not designated or labeled as such, and (ii) that the Participant creates, discovers or develops, or of which the Participant obtains knowledge of or access to, in the course of the Participant's employment with the Company. Confidential Information may include, but is not limited to, designs, works of authorship, formulae, ideas, concepts, techniques, inventions, devices, improvements, know-how, methods, processes, drawings, specifications, models, data, diagrams, flow charts, research, procedures, computer programs, marketing techniques and materials, business, marketing, development and product plans, financial information, customer lists and contact information, personnel information, and other confidential business or technical information created on behalf of the Company or obtained as a result of or in the course of employment with the Company. To the extent that the participant can demonstrate by competent proof that one of the following exceptions applies, the Participant shall have no obligation under this Confidentiality and Inventions Agreement to maintain in confidence any: (I) INFORMATION THAT IS OR BECOMES GENERALLY PUBLICLY KNOWN OTHER THAN AS A RESULT OF THE PARTICIPANT'S DISCLOSURE IN VIOLATION OF THIS AGREEMENT, (II) INFORMATION THAT WAS KNOWN BY THE PARTICIPANT OR AVAILABLE TO THE PARTICIPANT WITHOUT RESTRICTION PRIOR TO DISCLOSURE TO THE PARTICIPANT BY THE COMPANY, (III) INFORMATION THAT BECOMES AVAILABLE TO THE PARTICIPANT ON A NON-CONFIDENTIAL BASIS FROM A

EXHIBIT B

CONFIDENTIALITY AND INVENTIONS AGREEMENT

THIRD PARTY THAT IS NOT SUBJECT TO CONFIDENTIALITY OBLIGATIONS IN FAVOR, OR THAT INURE TO THE BENEFIT, OF THE COMPANY, AND (IV) INFORMATION THAT WAS DEVELOPED INDEPENDENTLY BY OR FOR THE PARTICIPANT WITHOUT REFERENCE TO THE CONFIDENTIAL INFORMATION, USE OF COMPANY RESOURCES OR BREACH OF THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, THE "PRE-EMPLOYMENT WORK PRODUCT" (AS DEFINED BELOW).

(b) "**Work Product**" shall mean inventions, data, ideas, designs, drawings, works of authorship, trademarks, service marks, trade names, service names, logos, developments, formulae, concepts, techniques, devices, improvements, know-how, methods, processes, programs and discoveries, whether or not patentable or protectable under applicable copyright or trademark law, or under other similar law, and whether or not reduced to practice or tangible form, together with any improvements thereon or thereto, derivative works therefrom, and intellectual property rights therein created on behalf of the Company as part of the obligation of employment in performing work for the Company or otherwise in the course of employment with the Company.

3. CONFIDENTIALITY

(a) During the term of the Participant's employment by the Company and at all times thereafter, The Participant will keep in strict confidence and trust all Confidential Information, and the Participant will not, directly or indirectly, disclose, distribute, sell, transfer, use, lecture upon or publish any Confidential Information, except as may be necessary in the course of performing the Participant's duties as an employee of the Company or as the Company authorizes or permits. Notwithstanding the foregoing, the Participant shall be entitled to continue to use Confidential Information of the Company transferred to a purchaser ("**Purchaser**") of all or substantially all of the assets of a business ("**Business**") of Company (an "**Acquisition**") solely to the extent that the Participant becomes an employee of such Purchaser or Purchaser's designated affiliate upon consummation of the Acquisition and such Confidential Information is used in the Business prior to consummation of the Acquisition. The Participant acknowledges and agrees that, upon consummation of the Acquisition, the Confidential Information shall be deemed the Confidential Information of the Purchaser and subject to the Participant's applicable employment, confidentiality and inventions assignment agreement with such Purchaser.

(b) The Participant recognizes that the Company has received and in the future will receive information from third parties which is subject to an obligation on the Company's part to maintain the confidentiality of such information and to use it only for certain limited purposes. The Participant agrees, during the term of the Participant's employment and thereafter, to hold all such confidential or proprietary information of third parties in the strictest confidence and not to disclose or use it, except as necessary in performing the Participant's duties as an employee of the Company consistent with the Company's agreement with such third party. The Participant agrees that such information will be subject to the terms of this Confidentiality and Inventions Agreement as Confidential Information.

(c) **Trade Secrets Disclosure.** 18 U.S.C. § 1833(b) provides: “An individual shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that—(A) is made—(i) in confidence to a Federal, State, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal.” Nothing in this Agreement is intended to conflict with 18 U.S.C. § 1833(b) or create liability for disclosures of trade secrets that are expressly allowed by 18 U.S.C. § 1833(b). Accordingly, the parties to this Agreement have the right to disclose in confidence trade secrets to federal, state, and local government officials, or to an attorney, for the sole purpose of reporting or investigating a suspected violation of law. The parties also have the right to disclose trade secrets in a document filed in a lawsuit or other proceeding, but only if the filing is made under seal and protected from public disclosure. By signing this Confidentiality and Inventions Agreement, the Participant agrees to waive his or his or her right to recover individual relief based on any claims asserted in such a complaint or charge; provided, however, that nothing in this Confidentiality and Inventions Agreement limits the Participant’s right to receive an award for information he provides to any government agencies that are authorized to provide monetary or other awards to eligible individuals who come forward with information that leads to an agency enforcement action.

4. COMPANY PROPERTY

All apparatus, computers, computer files and media, notes, data, documents, reference materials, sketches, memoranda, records, drawings, engineering log books, equipment, lab/inventor notebooks, programs, prototypes, samples, equipment, tangible embodiments of information, and other physical property, whether or not pertaining to Confidential Information, furnished to the Participant or produced by the Participant or others in connection with the Participant’s employment, shall be and remain the sole property of the Company and any such property actually in the Participant’s possession or control shall be returned promptly to the Company as and when requested in writing by the Company. Should the Company not so request, the Participant shall return and deliver all such property to the Company upon termination of the Participant’s employment. The Participant may not retain any such property or any reproduction of such property upon such termination. The Participant further agrees that any property situated on the Company’s premises and owned, leased, maintained or otherwise contracted for by the Company, including, but not limited to, computers, computer files, e-mail, voicemail, disks and other electronic storage media, filing cabinets, desks or other work areas, are subject to inspection by the Company’s representatives at any time with or without notice.

5. COMPANY WORK PRODUCT

Subject to Section 6 and 7 below, the Participant agrees that any Work Product, in whole or in part, conceived, developed, made or reduced to practice by the Participant (either solely or in conjunction with others) during the term of his or her employment with the Company (collectively, the “**Company Work Product**”) shall be owned exclusively by the Company (or, to the extent applicable, a Purchaser pursuant to an Acquisition). Without limiting the foregoing, the Participant agrees that any of the Company Work Product shall be deemed to be “works made for hire” as defined in U.S. Copyright Act §101, and all right, title, and interest therein shall vest solely in the Company from conception. The Participant hereby irrevocably assigns and transfers, and agrees to assign and transfer in the future on the Company’s request, to the Company all right, title and interest in and to any Company Work Product, including, but not limited to, patents, copyrights

and other intellectual property rights therein. The Participant shall treat any such Company Work Product as Confidential Information. The Participant will execute all applications, assignments, instruments and other documents and perform all acts consistent herewith as the Company or its counsel may deem necessary or desirable to obtain, perfect or enforce any patents, copyright registrations or other protections on such Company Work Product and to otherwise protect the interests of the Company therein. The Participant's obligation to reasonably assist the Company in obtaining and enforcing the intellectual property and other rights in the Company Work Product in any and all jurisdictions shall continue beyond the termination of the Participant's employment. The Participant acknowledges that the Company may need to secure the Participant's signature for lawful and necessary documents required to apply for, maintain or enforce intellectual property and other rights with respect to the Company Work Product (including, but not limited to, renewals, extensions, continuations, divisions or continuations in part of patent applications). The Participant hereby irrevocably designates and appoints the Company and its duly authorized officers and agents, as the Participant's agents and attorneys-in-fact, to act for and on the Participant's behalf and instead of the Participant, to execute and file any such document(s) and to do all other lawfully permitted acts to further the prosecution, issuance and enforcement of patents, copyright registrations and other protections on the Company Work Product with the same legal force and effect as if executed by the Participant. The Participant further hereby waives and relinquishes any and all moral rights that the Participant may have in the Company Work Product.

6. EXCEPTION TO ASSIGNMENTS

Pursuant to Section 2870 of the California Labor Code, the requirements set forth in Section 5 of this Agreement shall not apply to an invention that the Participant develops entirely on his or her own time without using the Company's equipment, supplies, facilities, or trade secret information except for those inventions that either: (i) relate at the time of conception or reduction to practice of the invention to the Company's business, or actual or demonstrably anticipated research or development of the Company; or (ii) result from any work performed by the Participant for the Company.

7. PRE-EMPLOYMENT WORK PRODUCT

(a) Work Product includes only things done for the Company in performing work for the Company.

(b) The Participant acknowledges that the Company has a strict policy against using proprietary information belonging to any other person or entity without the express permission of the owner of that information. The Participant represents and warrants that the Participant's performance of all of the terms of this Confidentiality and Inventions Agreement and as an employee of the Company does not and will not result in a breach of any duty owed by the Participant to a third party to keep in confidence any information, knowledge or data. The Participant has not brought or used, and will not bring to the Company, or use, induce the Company to use, or disclose in the performance of the Participant's duties, nor has the Participant used or disclosed in the performance of any services for the Company prior to the effective date of the Participant's employment with the Company (if any), any equipment, supplies, facility, electronic media, software, trade secret or other information or property of any former employer or any other person or entity, unless the Participant has obtained their written authorization for its possession and use.

8. RECORDS

The Participant agrees that he or she will keep and maintain adequate and current written records (in the form of notes, sketches, drawings or such other form(s) as may be specified by the Company) of all the Company Work Product made by the Participant during the term of his or her employment with the Company, which records shall be available at all times to the Company and shall remain the sole property of the Company.

9. PRESUMPTION

If any application for any United States or foreign patent related to or useful in the business of the Company or any customer of the Company shall be filed by or for the Participant during the period of one year after the Participant's employment is terminated, the subject matter covered by such application shall be presumed to have been conceived during the Participant's employment with the Company.

10. AGREEMENTS WITH THIRD PARTIES OR THE U.S. GOVERNMENT.

The Participant acknowledges that the Company from time to time may have agreements with other persons or entities, or with the U.S. Government or agencies thereof, which impose obligations or restrictions on the Company regarding inventions made during the course of work thereunder or regarding the confidential nature of such work. The Participant agrees to be bound by all such obligations and restrictions of which the Participant has been made aware of by the Company and to take all action necessary to discharge the obligations of the Company thereunder.

11. INJUNCTIVE RELIEF

Because of the unique nature of the Confidential Information and the Company Work Product, the Participant understands and agrees that the Company may suffer immediate and irreparable harm if the Participant fails to comply with any of his or her obligations under this Confidentiality and Inventions Agreement and that monetary damages may be inadequate to compensate the Company for such breach. Accordingly, the Participant agrees that in the event of a breach or threatened breach of this Confidentiality and Inventions Agreement, in addition to any other remedies available to it at law or in equity, the Company will be entitled, without posting bond or other security, to seek injunctive relief to enforce the terms of this Confidentiality and Inventions Agreement, including, but not limited to, restraining the Participant from violating this Confidentiality and Inventions Agreement or compelling the Participant to cease and desist all unauthorized use and disclosure of the Confidential Information and the Company Work Product. The Participant will indemnify the Company against any costs, including, but not limited to, reasonable outside legal fees and costs, incurred in obtaining relief against the Participant's breach of this Confidentiality and Inventions Agreement. Nothing in this Section 11 shall be construed as prohibiting the Company from pursuing any other remedies available to it for such breach or threatened breach, including, but not limited to, recovery of damages.

12. DISCLOSURE OF OBLIGATIONS

The Participant is hereby permitted and the Participant authorizes the Company to provide a copy of this Confidentiality and Inventions Agreement and any exhibits hereto to any of the Participant's future employers, and to notify any such future employers of the Participant's obligations and the Company's rights hereunder, provided that neither party is under any obligation to do so.

13. JURISDICTION AND VENUE

This Confidentiality and Inventions Agreement will be governed by the laws of the State of California without regard to any conflicts-of-law rules. To the extent that any lawsuit is permitted under this Confidentiality and Inventions Agreement, the Participant hereby expressly consents to the personal and exclusive jurisdiction and venue of the state and federal courts located in San Diego, California for any lawsuit filed against the Participant by the Company. Nothing herein shall limit the right of the Company to seek and obtain injunctive relief in any jurisdiction for violation of the portions of this Confidentiality and Inventions Agreement dealing with protection of Confidential Information or the Company Work Product.

14. ASSIGNMENT; INUREMENT

Neither this Confidentiality and Inventions Agreement nor any duties or obligations under this Confidentiality and Inventions Agreement may be assigned by the Participant without the prior written consent of the Company. The Participant understands and agrees that the Company may freely assign this Confidentiality and Inventions Agreement. This Agreement shall inure to the benefit of, and shall be binding upon, the permitted assigns, successors in interest (including any Purchaser upon consummation of an Acquisition), personal representatives, estates, heirs, and legatees of each of the parties hereto. Any assignment in violation of this Section 14 shall be null and void.

15. SURVIVORSHIP

The rights and obligations of the parties to this Confidentiality and Inventions Agreement will survive termination of my employment with the Company.

16. MISCELLANEOUS

In the event that any provision hereof or any obligation or grant of rights by the Participant hereunder is found invalid or unenforceable pursuant to judicial decree or decision, any such provision, obligation or grant of rights shall be deemed and construed to extend only to the maximum permitted by law, the invalid or unenforceable portions shall be severed, and the remainder of this Confidentiality and Inventions Agreement shall remain valid and enforceable according to its terms. This Confidentiality and Inventions Agreement may not be amended, waived or modified, except by an instrument in writing executed by the Participant and a duly authorized representative of the Company.

17. ACKNOWLEDGMENT

EMPLOYEE ACKNOWLEDGES THAT, IN EXECUTING THE GRANT NOTICE TO WHICH THIS CONFIDENTIALITY AND INVENTIONS AGREEMENT IS ATTACHED, EMPLOYEE HAS HAD THE OPPORTUNITY TO SEEK THE ADVICE OF INDEPENDENT LEGAL COUNSEL, AND EMPLOYEE HAS READ AND UNDERSTOOD ALL OF THE TERMS AND PROVISIONS OF THIS CONFIDENTIALITY AND INVENTIONS AGREEMENT. These Standard Terms and Conditions apply to the Award of Restricted Stock Units granted pursuant to the Petco Health and Wellness Company, Inc. 2021 Equity Incentive Plan (the “*Plan*”), which are evidenced by a Grant Notice or an action of the Committee that specifically refers to these Standard Terms and Conditions. In addition to these Standard Terms and Conditions, the Restricted Stock Units shall be subject to the terms of the Plan, which are incorporated into these Standard Terms and Conditions by this reference. Capitalized terms not otherwise defined herein shall have the meaning set forth in the Plan.

1. TERMS OF RESTRICTED STOCK UNITS

Petco Health and Wellness Company, Inc. (the “*Company*”) has granted to the Participant named in the Grant Notice provided to said Participant herewith (the “*Grant Notice*”) an award of Restricted Stock Units (the “*Award*” or “*RSUs*”) specified in the Grant Notice, with each Restricted Stock Unit representing the right to receive one share of Common Stock. The Award is subject to the conditions set forth in the Grant Notice, these Standard Terms and Conditions and the Plan. For purposes of these Standard Terms and Conditions and the Grant Notice, any reference to the Company shall include a reference to any Subsidiary.

2. VESTING AND SETTLEMENT OF RESTRICTED STOCK UNITS

(a) The Award shall not be vested as of the Grant Date set forth in the Grant Notice and shall be forfeitable unless and until otherwise vested pursuant to the terms of the Grant Notice and these Standard Terms and Conditions. After the Grant Date, subject to termination or acceleration as provided in these Standard Terms and Conditions and the Plan, the Award shall become vested as described in the Grant Notice with respect to that number of Restricted Stock Units as set forth in the Grant Notice. Restricted Stock Units that have vested and are no longer subject to forfeiture are referred to herein as “*Vested RSUs*.” Restricted Stock Units awarded hereunder that are not vested and remain subject to forfeiture are referred to herein as “*Unvested RSUs*.”

(b) As soon as administratively practicable following the vesting of the RSUs pursuant to the Grant Notice and this Section 2, but in no event later than 30 days after each vesting date, the Company shall deliver to the Participant a number of shares of Common Stock equal to the number of RSUs that vested on such date.

(c) If the Participant’s Termination of Employment is as a result of the Participant’s death or Disability, subject to the Participant’s (or the Participant’s personal representative’s) execution and nonrevocation of a general release of claims in a form provided by the Company, all then Unvested RSUs shall become Vested RSUs.

EXHIBIT A
STANDARD TERMS AND CONDITIONS FOR
RESTRICTED STOCK UNITS

(d) If the Participant's Termination of Employment is as a result of the Participant's Retirement (as defined below), subject to the Participant's execution and nonrevocation of a general release of claims in a form provided by the Company, (i) if the Termination Date is prior to the first anniversary of the Grant Date, (A) a pro-rated portion of the Unvested RSUs shall become Vested RSUs calculated by multiplying (I) the number of Unvested RSUs by (II) a fraction, the numerator of which is the number of days between the Grant Date and the Termination Date and the denominator of which is the number of days between the Grant Date and the first anniversary of the Grant Date and (B) any then Unvested RSUs, after giving effect to the foregoing clause (A) shall be forfeited and canceled as of the Termination Date, and (ii) if the Termination Date is on or following the first anniversary of the Grant Date, any then Unvested RSUs shall become Vested RSUs.

(e) If the Participant's Termination of Employment is as a result of an Involuntary Termination (as defined below) on or within 24-months following a Change in Control, subject to the Participant's execution and nonrevocation of a general release of claims in a form provided by the Company, any then Unvested RSUs shall become Vested RSUs.

(f) Upon Participant's Termination of Employment for any other reason not set forth in Section 2(c), 2(d) or 2(e), any then Unvested RSUs held by the Participant shall be forfeited and canceled as of the Termination Date.

(g) As used in this Section 2:

(i) "**Good Reason**" has the meaning set forth in the written employment, offer, services or severance agreement or letter between the Participant and the Company or an Affiliate, or if there is no such agreement or no such term is defined in such agreement, means, without the Participant's consent: (A) a material diminution in the Participant's authority, duties or responsibilities with the Company or an Affiliate; (B) a material diminution in the Participant's base salary; (C) a relocation of the Participant's principal place of employment by more than 50 miles; or (D) a material breach by the Company of any of its obligations under these Standard Terms and Conditions. Notwithstanding the foregoing, any assertion by the Participant of a termination for Good Reason shall not be effective unless (1) the Participant provides written notice to the Company of the existence of one or more of the foregoing conditions within 30 days after the initial occurrence of such condition(s); (2) the condition(s) specified in such notice must remain uncorrected for 30 days following the Company's receipt of such written notice; and (3) the date of the termination of the Participant's employment must occur within 90 days after the initial occurrence of the condition(s) specified in such notice.

(ii) "**Involuntary Termination**" means a Termination of Employment by the Company without Cause (and not as a result of death or Disability) or by the Participant for Good Reason.

(iii) "**Retirement**" means a Termination of Employment by the Participant upon achieving (A) 55 or more years of age and (B) 10 or more years of service with the Company and its Affiliates.

(iv) "**Termination Date**" means the date of the Participant's Termination of Employment.

3. RIGHTS AS STOCKHOLDER; DIVIDEND EQUIVALENTS

(a) Participant shall not be, nor have any of the rights or privileges of, a stockholder of the Company in respect of any RSUs unless and until shares of Common Stock settled for such RSUs shall have been issued by the Company to Participant (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company).

(b) Notwithstanding the foregoing, from and after the Grant Date and until the earlier of (i) the Participant's receipt of Common Stock upon payment of RSUs and (ii) the time when the Participant's right to receive Common Stock upon payment of RSUs is forfeited, on the date that the Company pays a cash dividend (if any) to holders of Common Stock generally, the Participant shall be entitled, as a Dividend Equivalent, to a number of additional whole RSUs determined by dividing (i) the product of (A) the dollar amount of the cash dividend paid per share of Common Stock on such date and (B) the total number of RSUs (including dividend equivalents paid thereon) previously credited to the Participant as of such date, by (ii) the Fair Market Value per share of Common Stock on such date. Such Dividend Equivalents (if any) shall be subject to the same terms and conditions and shall be settled or forfeited in the same manner and at the same time as the RSUs to which the Dividend Equivalents were credited.

4. RESTRICTIONS ON REALES OF SHARES

The Company may impose such restrictions, conditions or limitations as it determines appropriate as to the timing and manner of any resales by the Participant or other subsequent transfers by the Participant of any shares of Common Stock issued pursuant to Vested RSUs, including (a) restrictions under an insider trading policy, (b) restrictions designed to delay and/or coordinate the timing and manner of sales by Participant and other holders and (c) restrictions as to the use of a specified brokerage firm for such resales or other transfers.

5. INCOME TAXES

To the extent required by applicable federal, state, local or foreign law, the Participant shall make arrangements satisfactory to the Company for the satisfaction of any withholding tax obligations that arise by reason of the grant or vesting of the RSUs. The Company shall not be required to issue shares or to recognize the disposition of such shares until such obligations are satisfied.

6. NON-TRANSFERABILITY OF AWARD

The Participant understands, acknowledges and agrees that, except as otherwise provided in the Plan or as permitted by the Committee, the Award may not be sold, assigned, transferred, pledged or otherwise directly or indirectly encumbered or disposed of other than by will or the laws of descent and distribution.

7. OTHER AGREEMENTS SUPERSEDED

The Grant Notice, these Standard Terms and Conditions, the Confidentiality and Inventions Agreement and the Plan constitute the entire understanding between the Participant and the

Company regarding the Award. Any prior agreements, commitments or negotiations concerning the Award are superseded; provided, however, that the terms of the Confidentiality and Inventions Agreement are in addition to and complement (and do not replace or supersede) all other agreements and obligations between the Company and any of its affiliates and the Participant with respect to confidentiality and intellectual property.

8. LIMITATION OF INTEREST IN SHARES SUBJECT TO RESTRICTED STOCK UNITS

Neither the Participant (individually or as a member of a group) nor any beneficiary or other person claiming under or through the Participant shall have any right, title, interest, or privilege in or to any shares of Common Stock allocated or reserved for the purpose of the Plan or subject to the Grant Notice or these Standard Terms and Conditions except as to such shares of Common Stock, if any, as shall have been issued to such person in connection with the Award. Nothing in the Plan, in the Grant Notice, these Standard Terms and Conditions or any other instrument executed pursuant to the Plan shall confer upon the Participant any right to continue in the Company's employ or service nor limit in any way the Company's right to terminate the Participant's employment at any time for any reason.

9. GENERAL

(a) In the event that any provision of these Standard Terms and Conditions is declared to be illegal, invalid or otherwise unenforceable by a court of competent jurisdiction, such provision shall be reformed, if possible, to the extent necessary to render it legal, valid and enforceable, or otherwise deleted, and the remainder of these Standard Terms and Conditions shall not be affected except to the extent necessary to reform or delete such illegal, invalid or unenforceable provision.

(b) The headings preceding the text of the sections hereof are inserted solely for convenience of reference, and shall not constitute a part of these Standard Terms and Conditions, nor shall they affect its meaning, construction or effect. Words in the masculine gender shall include the feminine gender, and where appropriate, the plural shall include the singular and the singular shall include the plural. The use herein of the word "including" following any general statement, term or matter shall not be construed to limit such statement, term or matter to the specific items or matters set forth immediately following such word or to similar items or matters, whether or not non-limiting language (such as "without limitation", "but not limited to", or words of similar import) is used with reference thereto, but rather shall be deemed to refer to all other items or matters that could reasonably fall within the broadest possible scope of such general statement, term or matter. References herein to any agreement, instrument or other document means such agreement, instrument or other document as amended, supplemented and modified from time to time to the extent permitted by the provisions thereof and not prohibited by the Plan or these Standard Terms and Conditions.

(c) These Standard Terms and Conditions shall inure to the benefit of and be binding upon the parties hereto and their respective permitted heirs, beneficiaries, successors and assigns.

(d) These Standard Terms and Conditions shall be construed in accordance with and governed by the laws of the State of Delaware, without regard to principles of conflicts of law.

(e) In the event of any conflict between the Grant Notice, these Standard Terms and Conditions and the Plan, the Grant Notice and these Standard Terms and Conditions shall control. In the event of any conflict between the Grant Notice and these Standard Terms and Conditions, the Grant Notice shall control.

(f) All questions arising under the Plan or under these Standard Terms and Conditions shall be decided by the Committee in its total and absolute discretion.

10. ELECTRONIC DELIVERY

By executing the Grant Notice, the Participant hereby consents to the delivery of information (including, without limitation, information required to be delivered to the Participant pursuant to applicable securities laws) regarding the Company and the Subsidiaries, the Plan, and the Restricted Stock Units via Company web site or other electronic delivery.

EXHIBIT B

CONFIDENTIALITY AND INVENTIONS AGREEMENT

As a condition to the receipt of the Award granted pursuant to the Grant Notice to which this Confidentiality and Inventions Agreement is attached and in consideration of the Participant's continued employment with the Company, the Participant hereby confirms the Participant's agreement as follows:

1. GENERAL

The Participant's employment by the Company is in a capacity in which he or she may have access to, or contribute to the production of, Confidential Information and the Company Work Product (both as defined below). The Participant's employment creates a relationship of confidence and trust between the Company and the Participant with respect to the Confidential Information and the Company Work Product as set forth herein. This Confidentiality and Inventions Agreement are subject to the terms of the Standard Terms and Conditions attached as Exhibit A to the Grant Notice to which this Confidentiality and Inventions Agreement is attached; provided however, that in the event of any conflict between the Standard Terms and Conditions and this Confidentiality and Inventions Agreement, this Confidentiality and Inventions Agreement shall control.

2. DEFINITIONS

Capitalized terms not otherwise defined herein shall have the meaning set forth in the Petco Health and Wellness Company, Inc. 2021 Equity Incentive Plan, as amended from time to time. For purposes of this Confidentiality and Inventions Agreement:

(a) "**Confidential Information**" shall mean information or material (i) that is proprietary to the Company or confidential to the Company, whether or not designated or labeled as such, and (ii) that the Participant creates, discovers or develops, or of which the Participant obtains knowledge of or access to, in the course of the Participant's employment with the Company. Confidential Information may include, but is not limited to, designs, works of authorship, formulae, ideas, concepts, techniques, inventions, devices, improvements, know-how, methods, processes, drawings, specifications, models, data, diagrams, flow charts, research, procedures, computer programs, marketing techniques and materials, business, marketing, development and product plans, financial information, customer lists and contact information, personnel information, and other confidential business or technical information created on behalf of the Company or obtained as a result of or in the course of employment with the Company. For purposes of this Confidentiality and Inventions Agreement, the "**Company**" shall mean the Company or any of its Affiliates. To the extent that the participant can demonstrate by competent proof that one of the following exceptions applies, the Participant shall have no obligation under this Confidentiality and Inventions Agreement to maintain in confidence any: (I) INFORMATION THAT IS OR BECOMES GENERALLY PUBLICLY KNOWN OTHER THAN AS A RESULT OF THE PARTICIPANT'S DISCLOSURE IN VIOLATION OF THIS AGREEMENT, (II) INFORMATION THAT WAS KNOWN BY THE PARTICIPANT OR AVAILABLE TO THE PARTICIPANT WITHOUT RESTRICTION PRIOR TO DISCLOSURE TO THE PARTICIPANT BY THE COMPANY, (III) INFORMATION THAT BECOMES AVAILABLE

EXHIBIT B

CONFIDENTIALITY AND INVENTIONS AGREEMENT

TO THE PARTICIPANT ON A NON-CONFIDENTIAL BASIS FROM A THIRD PARTY THAT IS NOT SUBJECT TO CONFIDENTIALITY OBLIGATIONS IN FAVOR, OR THAT INURE TO THE BENEFIT, OF THE COMPANY, AND (IV) INFORMATION THAT WAS DEVELOPED INDEPENDENTLY BY OR FOR THE PARTICIPANT WITHOUT REFERENCE TO THE CONFIDENTIAL INFORMATION, USE OF COMPANY RESOURCES OR BREACH OF THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, THE “PRE-EMPLOYMENT WORK PRODUCT” (AS DEFINED BELOW).

(b) “**Work Product**” shall mean inventions, data, ideas, designs, drawings, works of authorship, trademarks, service marks, trade names, service names, logos, developments, formulae, concepts, techniques, devices, improvements, know-how, methods, processes, programs and discoveries, whether or not patentable or protectable under applicable copyright or trademark law, or under other similar law, and whether or not reduced to practice or tangible form, together with any improvements thereon or thereto, derivative works therefrom, and intellectual property rights therein created on behalf of the Company as part of the obligation of employment in performing work for the Company or otherwise in the course of employment with the Company.

3. CONFIDENTIALITY

(a) During the term of the Participant’s employment by the Company and at all times thereafter, The Participant will keep in strict confidence and trust all Confidential Information, and the Participant will not, directly or indirectly, disclose, distribute, sell, transfer, use, lecture upon or publish any Confidential Information, except as may be necessary in the course of performing the Participant’s duties as an employee of the Company or as the Company authorizes or permits. Notwithstanding the foregoing, the Participant shall be entitled to continue to use Confidential Information of the Company transferred to a purchaser (“**Purchaser**”) of all or substantially all of the assets of a business (“**Business**”) of Company (an “**Acquisition**”) solely to the extent that the Participant becomes an employee of such Purchaser or Purchaser’s designated affiliate upon consummation of the Acquisition and such Confidential Information is used in the Business prior to consummation of the Acquisition. The Participant acknowledges and agrees that, upon consummation of the Acquisition, the Confidential Information shall be deemed the Confidential Information of the Purchaser and subject to the Participant’s applicable employment, confidentiality and inventions assignment agreement with such Purchaser.

(b) The Participant recognizes that the Company has received and in the future will receive information from third parties which is subject to an obligation on the Company’s part to maintain the confidentiality of such information and to use it only for certain limited purposes. The Participant agrees, during the term of the Participant’s employment and thereafter, to hold all such confidential or proprietary information of third parties in the strictest confidence and not to disclose or use it, except as necessary in performing the Participant’s duties as an employee of the Company consistent with the Company’s agreement with such third party. The Participant agrees that such information will be subject to the terms of this Confidentiality and Inventions Agreement as Confidential Information.

(c) Trade Secrets Disclosure. 18 U.S.C. § 1833(b) provides: “An individual shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that—(A) is made—(i) in confidence to a Federal, State, or local government official,

either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal.” Nothing in this Agreement is intended to conflict with 18 U.S.C. § 1833(b) or create liability for disclosures of trade secrets that are expressly allowed by 18 U.S.C. § 1833(b). Accordingly, the parties to this Agreement have the right to disclose in confidence trade secrets to federal, state, and local government officials, or to an attorney, for the sole purpose of reporting or investigating a suspected violation of law. The parties also have the right to disclose trade secrets in a document filed in a lawsuit or other proceeding, but only if the filing is made under seal and protected from public disclosure. By signing this Confidentiality and Inventions Agreement, the Participant agrees to waive his or his or her right to recover individual relief based on any claims asserted in such a complaint or charge; provided, however, that nothing in this Confidentiality and Inventions Agreement limits the Participant’s right to receive an award for information he provides to any government agencies that are authorized to provide monetary or other awards to eligible individuals who come forward with information that leads to an agency enforcement action.

4. COMPANY PROPERTY

All apparatus, computers, computer files and media, notes, data, documents, reference materials, sketches, memoranda, records, drawings, engineering log books, equipment, lab/inventor notebooks, programs, prototypes, samples, equipment, tangible embodiments of information, and other physical property, whether or not pertaining to Confidential Information, furnished to the Participant or produced by the Participant or others in connection with the Participant’s employment, shall be and remain the sole property of the Company and any such property actually in the Participant’s possession or control shall be returned promptly to the Company as and when requested in writing by the Company. Should the Company not so request, the Participant shall return and deliver all such property to the Company upon termination of the Participant’s employment. The Participant may not retain any such property or any reproduction of such property upon such termination. The Participant further agrees that any property situated on the Company’s premises and owned, leased, maintained or otherwise contracted for by the Company, including, but not limited to, computers, computer files, e-mail, voicemail, disks and other electronic storage media, filing cabinets, desks or other work areas, are subject to inspection by the Company’s representatives at any time with or without notice.

5. COMPANY WORK PRODUCT

Subject to Section 6 and 7 below, the Participant agrees that any Work Product, in whole or in part, conceived, developed, made or reduced to practice by the Participant (either solely or in conjunction with others) during the term of his or her employment with the Company (collectively, the “**Company Work Product**”) shall be owned exclusively by the Company (or, to the extent applicable, a Purchaser pursuant to an Acquisition). Without limiting the foregoing, the Participant agrees that any of the Company Work Product shall be deemed to be “works made for hire” as defined in U.S. Copyright Act §101, and all right, title, and interest therein shall vest solely in the Company from conception. The Participant hereby irrevocably assigns and transfers, and agrees to assign and transfer in the future on the Company’s request, to the Company all right, title and interest in and to any Company Work Product, including, but not limited to, patents, copyrights and other intellectual property rights therein. The Participant shall treat any such Company Work

Product as Confidential Information. The Participant will execute all applications, assignments, instruments and other documents and perform all acts consistent herewith as the Company or its counsel may deem necessary or desirable to obtain, perfect or enforce any patents, copyright registrations or other protections on such Company Work Product and to otherwise protect the interests of the Company therein. The Participant's obligation to reasonably assist the Company in obtaining and enforcing the intellectual property and other rights in the Company Work Product in any and all jurisdictions shall continue beyond the termination of the Participant's employment. The Participant acknowledges that the Company may need to secure the Participant's signature for lawful and necessary documents required to apply for, maintain or enforce intellectual property and other rights with respect to the Company Work Product (including, but not limited to, renewals, extensions, continuations, divisions or continuations in part of patent applications). The Participant hereby irrevocably designates and appoints the Company and its duly authorized officers and agents, as the Participant's agents and attorneys-in-fact, to act for and on the Participant's behalf and instead of the Participant, to execute and file any such document(s) and to do all other lawfully permitted acts to further the prosecution, issuance and enforcement of patents, copyright registrations and other protections on the Company Work Product with the same legal force and effect as if executed by the Participant. The Participant further hereby waives and relinquishes any and all moral rights that the Participant may have in the Company Work Product.

6. EXCEPTION TO ASSIGNMENTS

Pursuant to Section 2870 of the California Labor Code, the requirements set forth in Section 5 of this Agreement shall not apply to an invention that the Participant develops entirely on his or her own time without using the Company's equipment, supplies, facilities, or trade secret information except for those inventions that either: (i) relate at the time of conception or reduction to practice of the invention to the Company's business, or actual or demonstrably anticipated research or development of the Company; or (ii) result from any work performed by the Participant for the Company.

7. PRE-EMPLOYMENT WORK PRODUCT

(a) Work Product includes only things done for the Company in performing work for the Company.

(b) The Participant acknowledges that the Company has a strict policy against using proprietary information belonging to any other person or entity without the express permission of the owner of that information. The Participant represents and warrants that the Participant's performance of all of the terms of this Confidentiality and Inventions Agreement and as an employee of the Company does not and will not result in a breach of any duty owed by the Participant to a third party to keep in confidence any information, knowledge or data. The Participant has not brought or used, and will not bring to the Company, or use, induce the Company to use, or disclose in the performance of the Participant's duties, nor has the Participant used or disclosed in the performance of any services for the Company prior to the effective date of the Participant's employment with the Company (if any), any equipment, supplies, facility, electronic media, software, trade secret or other information or property of any former employer or any other person or entity, unless the Participant has obtained their written authorization for its possession and use.

8. RECORDS

The Participant agrees that he or she will keep and maintain adequate and current written records (in the form of notes, sketches, drawings or such other form(s) as may be specified by the Company) of all the Company Work Product made by the Participant during the term of his or her employment with the Company, which records shall be available at all times to the Company and shall remain the sole property of the Company.

9. PRESUMPTION

If any application for any United States or foreign patent related to or useful in the business of the Company or any customer of the Company shall be filed by or for the Participant during the period of one year after the Participant's employment is terminated, the subject matter covered by such application shall be presumed to have been conceived during the Participant's employment with the Company.

10. AGREEMENTS WITH THIRD PARTIES OR THE U.S. GOVERNMENT.

The Participant acknowledges that the Company from time to time may have agreements with other persons or entities, or with the U.S. Government or agencies thereof, which impose obligations or restrictions on the Company regarding inventions made during the course of work thereunder or regarding the confidential nature of such work. The Participant agrees to be bound by all such obligations and restrictions of which the Participant has been made aware of by the Company and to take all action necessary to discharge the obligations of the Company thereunder.

11. INJUNCTIVE RELIEF

Because of the unique nature of the Confidential Information and the Company Work Product, the Participant understands and agrees that the Company may suffer immediate and irreparable harm if the Participant fails to comply with any of his or her obligations under this Confidentiality and Inventions Agreement and that monetary damages may be inadequate to compensate the Company for such breach. Accordingly, the Participant agrees that in the event of a breach or threatened breach of this Confidentiality and Inventions Agreement, in addition to any other remedies available to it at law or in equity, the Company will be entitled, without posting bond or other security, to seek injunctive relief to enforce the terms of this Confidentiality and Inventions Agreement, including, but not limited to, restraining the Participant from violating this Confidentiality and Inventions Agreement or compelling the Participant to cease and desist all unauthorized use and disclosure of the Confidential Information and the Company Work Product. The Participant will indemnify the Company against any costs, including, but not limited to, reasonable outside legal fees and costs, incurred in obtaining relief against the Participant's breach of this Confidentiality and Inventions Agreement. Nothing in this Section 11 shall be construed as prohibiting the Company from pursuing any other remedies available to it for such breach or threatened breach, including, but not limited to, recovery of damages.

12. DISCLOSURE OF OBLIGATIONS

The Participant is hereby permitted and the Participant authorizes the Company to provide a copy of this Confidentiality and Inventions Agreement and any exhibits hereto to any of the Participant's future employers, and to notify any such future employers of the Participant's obligations and the Company's rights hereunder, provided that neither party is under any obligation to do so.

13. JURISDICTION AND VENUE

This Confidentiality and Inventions Agreement will be governed by the laws of the State of California without regard to any conflicts-of-law rules. To the extent that any lawsuit is permitted under this Confidentiality and Inventions Agreement, the Participant hereby expressly consents to the personal and exclusive jurisdiction and venue of the state and federal courts located in San Diego, California for any lawsuit filed against the Participant by the Company. Nothing herein shall limit the right of the Company to seek and obtain injunctive relief in any jurisdiction for violation of the portions of this Confidentiality and Inventions Agreement dealing with protection of Confidential Information or the Company Work Product.

14. ASSIGNMENT; INUREMENT

Neither this Confidentiality and Inventions Agreement nor any duties or obligations under this Confidentiality and Inventions Agreement may be assigned by the Participant without the prior written consent of the Company. The Participant understands and agrees that the Company may freely assign this Confidentiality and Inventions Agreement. This Agreement shall inure to the benefit of, and shall be binding upon, the permitted assigns, successors in interest (including any Purchaser upon consummation of an Acquisition), personal representatives, estates, heirs, and legatees of each of the parties hereto. Any assignment in violation of this Section 14 shall be null and void.

15. SURVIVORSHIP

The rights and obligations of the parties to this Confidentiality and Inventions Agreement will survive termination of my employment with the Company.

16. MISCELLANEOUS

In the event that any provision hereof or any obligation or grant of rights by the Participant hereunder is found invalid or unenforceable pursuant to judicial decree or decision, any such provision, obligation or grant of rights shall be deemed and construed to extend only to the maximum permitted by law, the invalid or unenforceable portions shall be severed, and the remainder of this Confidentiality and Inventions Agreement shall remain valid and enforceable according to its terms. This Confidentiality and Inventions Agreement may not be amended, waived or modified, except by an instrument in writing executed by the Participant and a duly authorized representative of the Company.

17. ACKNOWLEDGMENT

EMPLOYEE ACKNOWLEDGES THAT, IN EXECUTING THE GRANT NOTICE TO WHICH THIS CONFIDENTIALITY AND INVENTIONS AGREEMENT IS ATTACHED, EMPLOYEE HAS HAD THE OPPORTUNITY TO SEEK THE ADVICE OF INDEPENDENT LEGAL COUNSEL, AND EMPLOYEE HAS READ AND UNDERSTOOD ALL OF THE TERMS AND PROVISIONS OF THIS CONFIDENTIALITY AND INVENTIONS AGREEMENT. (c) The exercise price (the “**Exercise Price**”) of the Option is set forth in the Grant Notice. The Company shall not be obligated to issue any shares of Common Stock until the Participant shall have paid the total Exercise Price for that number of shares of Common Stock. The Exercise Price may be paid in Common Stock, cash or a combination thereof, including an irrevocable commitment by a broker to pay over such amount from a sale of the Common Stock issuable under the Option, the delivery of previously owned Common Stock, withholding of shares of Common Stock deliverable upon exercise of the Option (but only to the extent share withholding is made available to the Participant by the Company), or in such other manners as may be permitted by the Committee.

(d) Fractional shares may not be exercised. Shares of Common Stock will be issued as soon as practical after exercise. Notwithstanding the above, the Company shall not be obligated to deliver any shares of Common Stock during any period when the Company determines that the exercisability of the Option or the delivery of shares of Common Stock hereunder would violate Company policy or any federal, state or other applicable laws.

4. EXPIRATION OF OPTION

The Option shall expire and cease to be exercisable as of the earlier of (i) the Expiration Date set forth in the Grant Notice or (ii) the date specified below in connection with the Participant’s Termination of Employment:

(a) If the Participant’s Termination of Employment is as a result of the Participant’s death or Disability, subject to the Participant’s (or the Participant’s personal representative’s) execution and nonrevocation of a general release of claims in a form provided by the Company, (i) the entire Option shall be fully vested and (ii) the Participant may exercise any portion of the Option until the first anniversary of the Termination Date (as defined below).

(b) If the Participant’s Termination of Employment is as a result of an Involuntary Termination (as defined below) at any time other than during a Change in Control Period (as defined in the Employment Agreement (as defined below)), subject to the Participant’s execution and nonrevocation of a general release of claims in a form provided by the Company, (i) any portion of the Option that would have vested within the 12-month period following the Termination Date shall be vested and (ii) the Participant may exercise any portion of the Option that is vested and exercisable after giving effect to the foregoing clause (i) until the date that is 90 days following the Termination Date.

(c) If the Participant’s Termination of Employment is as a result of an Involuntary Termination during a Change in Control Period, subject to the Participant’s execution and nonrevocation of a general release of claims in a form provided by the Company, (i) the entire Option shall be fully vested and (ii) the Participant may exercise any portion of the Option until the date that is 90 days following the Termination Date.

(d) If the Participant's Termination of Employment is by the Company for Cause, the entire Option, whether or not then vested and exercisable, shall be immediately forfeited and canceled as of the Termination Date.

(e) If the Participant's Termination of Employment is for any reason other than as set forth in Section 4(a), 4(b), 4(c) or 4(d), the Participant may exercise any portion of the Option that is vested and exercisable at the time of such Termination of Employment until the date that is 90 days following the Termination Date.

(f) Any portion of the Option that is not vested and exercisable at the time of a Termination of Employment (after taking into account any accelerated vesting under this Section 4, Section 15 of the Plan or any other agreement between the Participant and the Company) shall be forfeited and canceled as of the Termination Date.

(g) As used in this Section 4:

(i) "*Employment Agreement*" means .

(ii) "*Involuntary Termination*" means a Termination of Employment by the Company without Cause (and not as a result of death or Disability) or by the Participant for Good Reason (as defined in the Employment Agreement).

(iii) "*Termination Date*" means the date of the Participant's Termination of Employment.

5. RESTRICTIONS ON REALES OF SHARES ACQUIRED PURSUANT TO OPTION EXERCISE

The Company may impose such restrictions, conditions or limitations as it determines appropriate as to the timing and manner of any resales by the Participant or other subsequent transfers by the Participant of any shares of Common Stock issued as a result of the exercise of the Option, including (a) restrictions under an insider trading policy, (b) restrictions designed to delay and/or coordinate the timing and manner of sales by Participant and other option holders and (c) restrictions as to the use of a specified brokerage firm for such resales or other transfers.

6. INCOME TAXES

The Company shall not deliver shares of Common Stock in respect of the exercise of any Option unless and until the Participant has made arrangements satisfactory to the Company to satisfy applicable withholding tax obligations. Unless the Participant pays the withholding tax obligations to the Company by cash or check in connection with the exercise of the Option (including an irrevocable commitment by a broker to pay over such amount from a sale of the Common Stock issuable under the Option), withholding may be effected, at the Company's election, withholding Common Stock issuable in connection with the exercise of the Option (provided that shares of Common Stock may be withheld only to the extent that such withholding will not result in adverse accounting treatment for the Company). The Participant acknowledges that the Company shall have the right to deduct any taxes required to be withheld by law in connection with the exercise of the Option from any amounts payable by it to the Participant (including future cash wages).

7. NON-TRANSFERABILITY OF OPTION

Except as permitted by the Committee or as permitted under the Plan, the Participant may not assign or transfer the Option to anyone other than by will or the laws of descent and distribution and the Option shall be exercisable only by the Participant during his or her lifetime. The Company may cancel the Participant's Option if the Participant attempts to assign or transfer it in a manner inconsistent with this Section 7.

8. OTHER AGREEMENTS SUPERSEDED

The Grant Notice, these Standard Terms and Conditions, the Confidentiality and Inventions Agreement and the Plan constitute the entire understanding between the Participant and the Company regarding the Option. Any prior agreements, commitments or negotiations concerning the Option are superseded; provided, however, that the terms of the Confidentiality and Inventions Agreement are in addition to and complement (and do not replace or supersede) all other agreements and obligations between the Company and any of its affiliates and the Participant with respect to confidentiality and intellectual property.

9. LIMITATION OF INTEREST IN SHARES SUBJECT TO OPTION

Neither the Participant (individually or as a member of a group) nor any beneficiary or other person claiming under or through the Participant shall have any right, title, interest, or privilege in or to any shares of Common Stock allocated or reserved for the purpose of the Plan or subject to the Grant Notice or these Standard Terms and Conditions except as to such shares of Common Stock, if any, as shall have been issued to such person upon exercise of the Option or any part of it. Nothing in the Plan, in the Grant Notice, these Standard Terms and Conditions or any other instrument executed pursuant to the Plan shall confer upon the Participant any right to continue in the Company's employ or service nor limit in any way the Company's right to terminate the Participant's employment at any time for any reason.

10. NO LIABILITY OF COMPANY

The Company and any affiliate which is in existence or hereafter comes into existence shall not be liable to the Participant or any other person as to: (a) the non-issuance or sale of shares of Common Stock as to which the Company has been unable to obtain from any regulatory body having jurisdiction the authority deemed by the Company's counsel to be necessary to the lawful issuance and sale of any shares hereunder; and (b) any tax consequence expected, but not realized, by the Participant or other person due to the receipt, exercise or settlement of any Option granted hereunder.

11. GENERAL

(a) In the event that any provision of these Standard Terms and Conditions is declared to be illegal, invalid or otherwise unenforceable by a court of competent jurisdiction, such provision shall be reformed, if possible, to the extent necessary to render it legal, valid and enforceable, or otherwise deleted, and the remainder of these Standard Terms and Conditions shall not be affected except to the extent necessary to reform or delete such illegal, invalid or unenforceable provision.

Words in the masculine gender shall include the feminine gender, and where appropriate, the plural shall include the singular and the singular shall include the plural. The use herein of the word “including” following any general statement, term or matter shall not be construed to limit such statement, term or matter to the specific items or matters set forth immediately following such word or to similar items or matters, whether or not non-limiting language (such as “without limitation”, “but not limited to”, or words of similar import) is used with reference thereto, but rather shall be deemed to refer to all other items or matters that could reasonably fall within the broadest possible scope of such general statement, term or matter. References herein to any agreement, instrument or other document means such agreement, instrument or other document as amended, supplemented and modified from time to time to the extent permitted by the provisions thereof and not prohibited by the Plan or these Standard Terms and Conditions.

(c) These Standard Terms and Conditions shall inure to the benefit of and be binding upon the parties hereto and their respective permitted heirs, beneficiaries, successors and assigns.

(d) These Standard Terms and Conditions shall be construed in accordance with and governed by the laws of the State of Delaware, without regard to principles of conflicts of law.

(e) In the event of any conflict between the Grant Notice, these Standard Terms and Conditions and the Plan, the Grant Notice and these Standard Terms and Conditions shall control. In the event of any conflict between the Grant Notice and these Standard Terms and Conditions, the Grant Notice shall control.

(f) All questions arising under the Plan or under these Standard Terms and Conditions shall be decided by the Committee in its total and absolute discretion.

12. ELECTRONIC DELIVERY

By executing the Grant Notice, the Participant hereby consents to the delivery of information (including information required to be delivered to the Participant pursuant to applicable securities laws) regarding the Company and the Subsidiaries, the Plan, the Option and the Common Stock via Company web site or other electronic delivery.

EXHIBIT B

CONFIDENTIALITY AND INVENTIONS AGREEMENT

As a condition to the receipt of the Option grants pursuant to the Grant Notice to which this Confidentiality and Inventions Agreement is attached and in consideration of the Participant's continued employment with the Company, the Participant hereby confirms the Participant's agreement as follows:

1. GENERAL

The Participant's employment by the Company is in a capacity in which he or she may have access to, or contribute to the production of, Confidential Information and the Company Work Product (both as defined below). The Participant's employment creates a relationship of confidence and trust between the Company and the Participant with respect to the Confidential Information and the Company Work Product as set forth herein. This Confidentiality and Inventions Agreement are subject to the terms of the Standard Terms and Conditions attached as Exhibit A to the Grant Notice to which this Confidentiality and Inventions Agreement is attached; provided however, that in the event of any conflict between the Standard Terms and Conditions and this Confidentiality and Inventions Agreement, this Confidentiality and Inventions Agreement shall control.

2. DEFINITIONS

Capitalized terms not otherwise defined herein shall have the meaning set forth in the Petco Health and Wellness Company, Inc. 2021 Equity Incentive Plan, as amended from time to time. For purposes of this Confidentiality and Inventions Agreement:

(a) "**Confidential Information**" shall mean information or material (i) that is proprietary to the Company or confidential to the Company, whether or not designated or labeled as such, and (ii) that the Participant creates, discovers or develops, or of which the Participant obtains knowledge of or access to, in the course of the Participant's employment with the Company. Confidential Information may include, but is not limited to, designs, works of authorship, formulae, ideas, concepts, techniques, inventions, devices, improvements, know-how, methods, processes, drawings, specifications, models, data, diagrams, flow charts, research, procedures, computer programs, marketing techniques and materials, business, marketing, development and product plans, financial information, customer lists and contact information, personnel information, and other confidential business or technical information created on behalf of the Company or obtained as a result of or in the course of employment with the Company. For purposes of this Confidentiality and Inventions Agreement, the "**Company**" shall mean the Company or any of its Affiliates. To the extent that the participant can demonstrate by competent proof that one of the following exceptions applies, the Participant shall have no obligation under this Confidentiality and Inventions Agreement to maintain in confidence any: (I) INFORMATION THAT IS OR BECOMES GENERALLY PUBLICLY KNOWN OTHER THAN AS A RESULT OF THE PARTICIPANT'S DISCLOSURE IN VIOLATION OF THIS AGREEMENT, (II) INFORMATION THAT WAS KNOWN BY THE PARTICIPANT OR AVAILABLE TO THE PARTICIPANT WITHOUT RESTRICTION PRIOR TO DISCLOSURE TO THE

EXHIBIT B

CONFIDENTIALITY AND INVENTIONS AGREEMENT

PARTICIPANT BY THE COMPANY, (III) INFORMATION THAT BECOMES AVAILABLE TO THE PARTICIPANT ON A NON-CONFIDENTIAL BASIS FROM A THIRD PARTY THAT IS NOT SUBJECT TO CONFIDENTIALITY OBLIGATIONS IN FAVOR, OR THAT INURE TO THE BENEFIT, OF THE COMPANY, AND (IV) INFORMATION THAT WAS DEVELOPED INDEPENDENTLY BY OR FOR THE PARTICIPANT WITHOUT REFERENCE TO THE CONFIDENTIAL INFORMATION, USE OF COMPANY RESOURCES OR BREACH OF THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, THE "PRE-EMPLOYMENT WORK PRODUCT" (AS DEFINED BELOW).

(b) "**Work Product**" shall mean inventions, data, ideas, designs, drawings, works of authorship, trademarks, service marks, trade names, service names, logos, developments, formulae, concepts, techniques, devices, improvements, know-how, methods, processes, programs and discoveries, whether or not patentable or protectable under applicable copyright or trademark law, or under other similar law, and whether or not reduced to practice or tangible form, together with any improvements thereon or thereto, derivative works therefrom, and intellectual property rights therein created on behalf of the Company as part of the obligation of employment in performing work for the Company or otherwise in the course of employment with the Company.

3. CONFIDENTIALITY

(a) During the term of the Participant's employment by the Company and at all times thereafter, The Participant will keep in strict confidence and trust all Confidential Information, and the Participant will not, directly or indirectly, disclose, distribute, sell, transfer, use, lecture upon or publish any Confidential Information, except as may be necessary in the course of performing the Participant's duties as an employee of the Company or as the Company authorizes or permits. Notwithstanding the foregoing, the Participant shall be entitled to continue to use Confidential Information of the Company transferred to a purchaser ("**Purchaser**") of all or substantially all of the assets of a business ("**Business**") of Company (an "**Acquisition**") solely to the extent that the Participant becomes an employee of such Purchaser or Purchaser's designated affiliate upon consummation of the Acquisition and such Confidential Information is used in the Business prior to consummation of the Acquisition. The Participant acknowledges and agrees that, upon consummation of the Acquisition, the Confidential Information shall be deemed the Confidential Information of the Purchaser and subject to the Participant's applicable employment, confidentiality and inventions assignment agreement with such Purchaser.

(b) The Participant recognizes that the Company has received and in the future will receive information from third parties which is subject to an obligation on the Company's part to maintain the confidentiality of such information and to use it only for certain limited purposes. The Participant agrees, during the term of the Participant's employment and thereafter, to hold all such confidential or proprietary information of third parties in the strictest confidence and not to disclose or use it, except as necessary in performing the Participant's duties as an employee of the Company consistent with the Company's agreement with such third party. The Participant agrees that such information will be subject to the terms of this Confidentiality and Inventions Agreement as Confidential Information.

(c) **Trade Secrets Disclosure.** 18 U.S.C. § 1833(b) provides: “An individual shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that—(A) is made—(i) in confidence to a Federal, State, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal.” Nothing in this Agreement is intended to conflict with 18 U.S.C. § 1833(b) or create liability for disclosures of trade secrets that are expressly allowed by 18 U.S.C. § 1833(b). Accordingly, the parties to this Agreement have the right to disclose in confidence trade secrets to federal, state, and local government officials, or to an attorney, for the sole purpose of reporting or investigating a suspected violation of law. The parties also have the right to disclose trade secrets in a document filed in a lawsuit or other proceeding, but only if the filing is made under seal and protected from public disclosure. By signing this Confidentiality and Inventions Agreement, the Participant agrees to waive his or his or her right to recover individual relief based on any claims asserted in such a complaint or charge; provided, however, that nothing in this Confidentiality and Inventions Agreement limits the Participant’s right to receive an award for information he provides to any government agencies that are authorized to provide monetary or other awards to eligible individuals who come forward with information that leads to an agency enforcement action.

4. COMPANY PROPERTY

All apparatus, computers, computer files and media, notes, data, documents, reference materials, sketches, memoranda, records, drawings, engineering log books, equipment, lab/inventor notebooks, programs, prototypes, samples, equipment, tangible embodiments of information, and other physical property, whether or not pertaining to Confidential Information, furnished to the Participant or produced by the Participant or others in connection with the Participant’s employment, shall be and remain the sole property of the Company and any such property actually in the Participant’s possession or control shall be returned promptly to the Company as and when requested in writing by the Company. Should the Company not so request, the Participant shall return and deliver all such property to the Company upon termination of the Participant’s employment. The Participant may not retain any such property or any reproduction of such property upon such termination. The Participant further agrees that any property situated on the Company’s premises and owned, leased, maintained or otherwise contracted for by the Company, including, but not limited to, computers, computer files, e-mail, voicemail, disks and other electronic storage media, filing cabinets, desks or other work areas, are subject to inspection by the Company’s representatives at any time with or without notice.

5. COMPANY WORK PRODUCT

Subject to Section 6 and 7 below, the Participant agrees that any Work Product, in whole or in part, conceived, developed, made or reduced to practice by the Participant (either solely or in conjunction with others) during the term of his or her employment with the Company (collectively, the “**Company Work Product**”) shall be owned exclusively by the Company (or, to the extent applicable, a Purchaser pursuant to an Acquisition). Without limiting the foregoing, the Participant agrees that any of the Company Work Product shall be deemed to be “works made for hire” as defined in U.S. Copyright Act §101, and all right, title, and interest therein shall vest solely in the Company from conception. The Participant hereby irrevocably assigns and transfers, and agrees to assign and transfer in the future on the Company’s request, to the Company all right, title and interest in and to any Company Work Product, including, but not

limited to, patents, copyrights and other intellectual property rights therein. The Participant shall treat any such Company Work Product as Confidential Information. The Participant will execute all applications, assignments, instruments and other documents and perform all acts consistent herewith as the Company or its counsel may deem necessary or desirable to obtain, perfect or enforce any patents, copyright registrations or other protections on such Company Work Product and to otherwise protect the interests of the Company therein. The Participant's obligation to reasonably assist the Company in obtaining and enforcing the intellectual property and other rights in the Company Work Product in any and all jurisdictions shall continue beyond the termination of the Participant's employment. The Participant acknowledges that the Company may need to secure the Participant's signature for lawful and necessary documents required to apply for, maintain or enforce intellectual property and other rights with respect to the Company Work Product (including, but not limited to, renewals, extensions, continuations, divisions or continuations in part of patent applications). The Participant hereby irrevocably designates and appoints the Company and its duly authorized officers and agents, as the Participant's agents and attorneys-in-fact, to act for and on the Participant's behalf and instead of the Participant, to execute and file any such document(s) and to do all other lawfully permitted acts to further the prosecution, issuance and enforcement of patents, copyright registrations and other protections on the Company Work Product with the same legal force and effect as if executed by the Participant. The Participant further hereby waives and relinquishes any and all moral rights that the Participant may have in the Company Work Product.

6. EXCEPTION TO ASSIGNMENTS

Pursuant to Section 2870 of the California Labor Code, the requirements set forth in Section 5 of this Agreement shall not apply to an invention that the Participant develops entirely on his or her own time without using the Company's equipment, supplies, facilities, or trade secret information except for those inventions that either: (i) relate at the time of conception or reduction to practice of the invention to the Company's business, or actual or demonstrably anticipated research or development of the Company; or (ii) result from any work performed by the Participant for the Company.

7. PRE-EMPLOYMENT WORK PRODUCT

(a) Work Product includes only things done for the Company in performing work for the Company.

(b) The Participant acknowledges that the Company has a strict policy against using proprietary information belonging to any other person or entity without the express permission of the owner of that information. The Participant represents and warrants that the Participant's performance of all of the terms of this Confidentiality and Inventions Agreement and as an employee of the Company does not and will not result in a breach of any duty owed by the Participant to a third party to keep in confidence any information, knowledge or data. The Participant has not brought or used, and will not bring to the Company, or use, induce the Company to use, or disclose in the performance of the Participant's duties, nor has the Participant used or disclosed in the performance of any services for the Company prior to the effective date of the Participant's employment with the Company (if any), any equipment, supplies, facility, electronic media, software, trade secret or other information or property of any former employer or any other person or entity, unless the Participant has obtained their written authorization for its possession and use.

8. RECORDS

The Participant agrees that he or she will keep and maintain adequate and current written records (in the form of notes, sketches, drawings or such other form(s) as may be specified by the Company) of all the Company Work Product made by the Participant during the term of his or her employment with the Company, which records shall be available at all times to the Company and shall remain the sole property of the Company.

9. PRESUMPTION

If any application for any United States or foreign patent related to or useful in the business of the Company or any customer of the Company shall be filed by or for the Participant during the period of one year after the Participant's employment is terminated, the subject matter covered by such application shall be presumed to have been conceived during the Participant's employment with the Company.

10. AGREEMENTS WITH THIRD PARTIES OR THE U.S. GOVERNMENT.

The Participant acknowledges that the Company from time to time may have agreements with other persons or entities, or with the U.S. Government or agencies thereof, which impose obligations or restrictions on the Company regarding inventions made during the course of work thereunder or regarding the confidential nature of such work. The Participant agrees to be bound by all such obligations and restrictions of which the Participant has been made aware of by the Company and to take all action necessary to discharge the obligations of the Company thereunder.

11. INJUNCTIVE RELIEF

Because of the unique nature of the Confidential Information and the Company Work Product, the Participant understands and agrees that the Company may suffer immediate and irreparable harm if the Participant fails to comply with any of his or her obligations under this Confidentiality and Inventions Agreement and that monetary damages may be inadequate to compensate the Company for such breach. Accordingly, the Participant agrees that in the event of a breach or threatened breach of this Confidentiality and Inventions Agreement, in addition to any other remedies available to it at law or in equity, the Company will be entitled, without posting bond or other security, to seek injunctive relief to enforce the terms of this Confidentiality and Inventions Agreement, including, but not limited to, restraining the Participant from violating this Confidentiality and Inventions Agreement or compelling the Participant to cease and desist all unauthorized use and disclosure of the Confidential Information and the Company Work Product. The Participant will indemnify the Company against any costs, including, but not limited to, reasonable outside legal fees and costs, incurred in obtaining relief against the Participant's breach of this Confidentiality and Inventions Agreement. Nothing in this Section 11 shall be construed as prohibiting the Company from pursuing any other remedies available to it for such breach or threatened breach, including, but not limited to, recovery of damages.

12. DISCLOSURE OF OBLIGATIONS

The Participant is hereby permitted and the Participant authorizes the Company to provide a copy of this Confidentiality and Inventions Agreement and any exhibits hereto to any of the Participant's future employers, and to notify any such future employers of the Participant's obligations and the Company's rights hereunder, provided that neither party is under any obligation to do so.

13. JURISDICTION AND VENUE

This Confidentiality and Inventions Agreement will be governed by the laws of the State of California without regard to any conflicts-of-law rules. To the extent that any lawsuit is permitted under this Confidentiality and Inventions Agreement, the Participant hereby expressly consents to the personal and exclusive jurisdiction and venue of the state and federal courts located in San Diego, California for any lawsuit filed against the Participant by the Company. Nothing herein shall limit the right of the Company to seek and obtain injunctive relief in any jurisdiction for violation of the portions of this Confidentiality and Inventions Agreement dealing with protection of Confidential Information or the Company Work Product.

14. ASSIGNMENT; INUREMENT

Neither this Confidentiality and Inventions Agreement nor any duties or obligations under this Confidentiality and Inventions Agreement may be assigned by the Participant without the prior written consent of the Company. The Participant understands and agrees that the Company may freely assign this Confidentiality and Inventions Agreement. This Agreement shall inure to the benefit of, and shall be binding upon, the permitted assigns, successors in interest (including any Purchaser upon consummation of an Acquisition), personal representatives, estates, heirs, and legatees of each of the parties hereto. Any assignment in violation of this Section 14 shall be null and void.

15. SURVIVORSHIP

The rights and obligations of the parties to this Confidentiality and Inventions Agreement will survive termination of my employment with the Company.

16. MISCELLANEOUS

In the event that any provision hereof or any obligation or grant of rights by the Participant hereunder is found invalid or unenforceable pursuant to judicial decree or decision, any such provision, obligation or grant of rights shall be deemed and construed to extend only to the maximum permitted by law, the invalid or unenforceable portions shall be severed, and the remainder of this Confidentiality and Inventions Agreement shall remain valid and enforceable according to its terms. This Confidentiality and Inventions Agreement may not be amended, waived or modified, except by an instrument in writing executed by the Participant and a duly authorized representative of the Company.

17. ACKNOWLEDGMENT

EMPLOYEE ACKNOWLEDGES THAT, IN EXECUTING THE GRANT NOTICE TO WHICH THIS CONFIDENTIALITY AND INVENTIONS AGREEMENT IS ATTACHED, EMPLOYEE HAS HAD THE OPPORTUNITY TO SEEK THE ADVICE OF INDEPENDENT LEGAL COUNSEL, AND EMPLOYEE HAS READ AND UNDERSTOOD ALL OF THE TERMS AND PROVISIONS OF THIS CONFIDENTIALITY AND INVENTIONS AGREEMENT. **PETCO HEALTH AND WELLNESS COMPANY, INC.
2021 EQUITY INCENTIVE PLAN**

**STANDARD TERMS AND CONDITIONS FOR
NONQUALIFIED STOCK OPTIONS**

These Standard Terms and Conditions apply to the Options granted pursuant to the Petco Health and Wellness Company, Inc. 2021 Equity Incentive Plan (the “*Plan*”), which are identified as nonqualified stock options and are evidenced by a Grant Notice or an action of the Committee that specifically refers to these Standard Terms and Conditions. In addition to these Standard Terms and Conditions, the Option shall be subject to the terms of the Plan, which are incorporated into these Standard Terms and Conditions by this reference. Capitalized terms not otherwise defined herein shall have the meaning set forth in the Plan.

1. TERMS OF OPTION

Petco Health and Wellness Company, Inc. (the “*Company*”) has granted to the Participant named in the Grant Notice provided to said Participant herewith (the “*Grant Notice*”) a Nonqualified Stock Option (the “*Option*”) to purchase up to the number of shares of Common Stock at an exercise price per share, each as set forth in the Grant Notice. The Option is subject to the conditions set forth in the Grant Notice, these Standard Terms and Conditions, and the Plan. For purposes of these Standard Terms and Conditions and the Grant Notice, any reference to the Company shall include a reference to any Subsidiary.

2. NONQUALIFIED STOCK OPTION

The Option is not intended to be an incentive stock option under Section 422 of the Code and will be interpreted accordingly.

3. EXERCISE OF OPTION

(a) The Option shall not be exercisable as of the Grant Date set forth in the Grant Notice. After the Grant Date, to the extent not previously exercised, and subject to termination or acceleration as provided in these Standard Terms and Conditions and the Plan, the Option shall be exercisable only to the extent it becomes vested, as described in the Grant Notice or the terms of the Plan, to purchase up to that number of shares of Common Stock as set forth in the Grant Notice; provided, that (except as set forth in Section 4(a) below) the Participant remains employed with the Company and does not experience a Termination of Employment. The vesting period and/or exercisability of an Option may be adjusted by the Committee to reflect the decreased level of employment during any period in which the Participant is on an approved leave of absence or is employed on a less than full time basis.

(b) To exercise the Option (or any part thereof), the Participant shall deliver to the Company a “Notice of Exercise” in a form specified by the Committee, specifying the number of whole shares of Common Stock the Participant wishes to purchase and how the Participant’s shares of Common Stock should be registered (in the Participant’s name only or in the Participant’s and the Participant’s spouse’s names as community property or as joint tenants with right of survivorship).

EXHIBIT A
STANDARD TERMS AND CONDITIONS FOR
NONQUALIFIED STOCK OPTIONS

(c) The exercise price (the “*Exercise Price*”) of the Option is set forth in the Grant Notice. The Company shall not be obligated to issue any shares of Common Stock until the Participant shall have paid the total Exercise Price for that number of shares of Common Stock. The Exercise Price may be paid in Common Stock, cash or a combination thereof, including an irrevocable commitment by a broker to pay over such amount from a sale of the Common Stock issuable under the Option, the delivery of previously owned Common Stock, withholding of shares of Common Stock deliverable upon exercise of the Option (but only to the extent share withholding is made available to the Participant by the Company), or in such other manners as may be permitted by the Committee.

(d) Fractional shares may not be exercised. Shares of Common Stock will be issued as soon as practical after exercise. Notwithstanding the above, the Company shall not be obligated to deliver any shares of Common Stock during any period when the Company determines that the exercisability of the Option or the delivery of shares of Common Stock hereunder would violate Company policy or any federal, state or other applicable laws.

4. EXPIRATION OF OPTION

The Option shall expire and cease to be exercisable as of the earlier of (i) the Expiration Date set forth in the Grant Notice or (ii) the date specified below in connection with the Participant’s Termination of Employment:

(a) If the Participant’s Termination of Employment is as a result of the Participant’s death or Disability, subject to the Participant’s (or the Participant’s personal representative’s) execution and nonrevocation of a general release of claims in a form provided by the Company, (i) the entire Option shall be fully vested and (ii) the Participant may exercise any portion of the Option until the first anniversary of the Termination Date (as defined below).

(b) If the Participant’s Termination of Employment is as a result of the Participant’s Retirement (as defined below), subject to the Participant’s execution and nonrevocation of a general release of claims in a form provided by the Company, (i) if the Termination Date is prior to the first anniversary of the Grant Date, a pro-rated portion of the Option calculated by multiplying (A) the number of shares covered by the Option by (B) a fraction, the numerator of which is the number of days between the Grant Date and the Termination Date and the denominator of which is the number of days between the Grant Date and the first anniversary of the Grant Date, (ii) if the Termination Date is on or following the first anniversary of the Grant Date, the entire Option shall be fully vested, and (iii) the Participant may exercise any portion of the Option that is vested and exercisable after giving effect to the foregoing clauses (i) and (ii) until the first anniversary of the Termination Date.

(c) If the Participant’s Termination of Employment is as a result of an Involuntary Termination (as defined below) on or within 24-months following a Change in Control, subject to the Participant’s execution and nonrevocation of a general release of claims in a form provided by the Company, (i) the entire Option shall be fully vested and (ii) the Participant may exercise any portion of the Option until the date that is 90 days following the Termination Date.

(d) If the Participant's Termination of Employment is by the Company for Cause, the entire Option, whether or not then vested and exercisable, shall be immediately forfeited and canceled as of the Termination Date.

(e) If the Participant's Termination of Employment is for any reason other than as set forth in Section 4(a), 4(b), 4(c) or 4(d), the Participant may exercise any portion of the Option that is vested and exercisable at the time of such Termination of Employment until the date that is 90 days following the Termination Date.

(f) Any portion of the Option that is not vested and exercisable at the time of a Termination of Employment (after taking into account any accelerated vesting under this Section 4, Section 15 of the Plan or any other agreement between the Participant and the Company) shall be forfeited and canceled as of the Termination Date.

(g) As used in this Section 4:

(i) "**Good Reason**" has the meaning set forth in the written employment, offer, services or severance agreement or letter between the Participant and the Company or an Affiliate, or if there is no such agreement or no such term is defined in such agreement, means, without the Participant's consent: (A) a material diminution in the Participant's authority, duties or responsibilities with the Company or an Affiliate; (B) a material diminution in the Participant's base salary; (C) a relocation of the Participant's principal place of employment by more than 50 miles; or (D) a material breach by the Company of any of its obligations under these Standard Terms and Conditions. Notwithstanding the foregoing, any assertion by the Participant of a termination for Good Reason shall not be effective unless (1) the Participant provides written notice to the Company of the existence of one or more of the foregoing conditions within 30 days after the initial occurrence of such condition(s); (2) the condition(s) specified in such notice must remain uncorrected for 30 days following the Company's receipt of such written notice; and (3) the date of the termination of the Participant's employment must occur within 90 days after the initial occurrence of the condition(s) specified in such notice.

(ii) "**Involuntary Termination**" means a Termination of Employment by the Company without Cause (and not as a result of death or Disability) or by the Participant for Good Reason.

(iii) "**Retirement**" means a Termination of Employment by the Participant upon achieving (A) 55 or more years of age and (B) 10 or more years of service with the Company and its Affiliates.

(iv) "**Termination Date**" means the date of the Participant's Termination of Employment.

5. RESTRICTIONS ON REALES OF SHARES ACQUIRED PURSUANT TO OPTION EXERCISE

The Company may impose such restrictions, conditions or limitations as it determines appropriate as to the timing and manner of any resales by the Participant or other subsequent transfers by the Participant of any shares of Common Stock issued as a result of the exercise of the Option, including (a) restrictions under an insider trading policy, (b) restrictions designed to delay and/or coordinate the timing and manner of sales by Participant and other option holders and (c) restrictions as to the use of a specified brokerage firm for such resales or other transfers.

6. INCOME TAXES

The Company shall not deliver shares of Common Stock in respect of the exercise of any Option unless and until the Participant has made arrangements satisfactory to the Company to satisfy applicable withholding tax obligations. Unless the Participant pays the withholding tax obligations to the Company by cash or check in connection with the exercise of the Option (including an irrevocable commitment by a broker to pay over such amount from a sale of the Common Stock issuable under the Option), withholding may be effected, at the Company's election, withholding Common Stock issuable in connection with the exercise of the Option (provided that shares of Common Stock may be withheld only to the extent that such withholding will not result in adverse accounting treatment for the Company). The Participant acknowledges that the Company shall have the right to deduct any taxes required to be withheld by law in connection with the exercise of the Option from any amounts payable by it to the Participant (including future cash wages).

7. NON-TRANSFERABILITY OF OPTION

Except as permitted by the Committee or as permitted under the Plan, the Participant may not assign or transfer the Option to anyone other than by will or the laws of descent and distribution and the Option shall be exercisable only by the Participant during his or her lifetime. The Company may cancel the Participant's Option if the Participant attempts to assign or transfer it in a manner inconsistent with this [Section 7](#).

8. OTHER AGREEMENTS SUPERSEDED

The Grant Notice, these Standard Terms and Conditions, the Confidentiality and Inventions Agreement and the Plan constitute the entire understanding between the Participant and the Company regarding the Option. Any prior agreements, commitments or negotiations concerning the Option are superseded; provided, however, that the terms of the Confidentiality and Inventions Agreement are in addition to and complement (and do not replace or supersede) all other agreements and obligations between the Company and any of its affiliates and the Participant with respect to confidentiality and intellectual property.

9. LIMITATION OF INTEREST IN SHARES SUBJECT TO OPTION

Neither the Participant (individually or as a member of a group) nor any beneficiary or other person claiming under or through the Participant shall have any right, title, interest, or privilege in or to any shares of Common Stock allocated or reserved for the purpose of the Plan or subject to the Grant Notice or these Standard Terms and Conditions except as to such shares of Common Stock,

if any, as shall have been issued to such person upon exercise of the Option or any part of it. Nothing in the Plan, in the Grant Notice, these Standard Terms and Conditions or any other instrument executed pursuant to the Plan shall confer upon the Participant any right to continue in the Company's employ or service nor limit in any way the Company's right to terminate the Participant's employment at any time for any reason.

10. NO LIABILITY OF COMPANY

The Company and any affiliate which is in existence or hereafter comes into existence shall not be liable to the Participant or any other person as to: (a) the non-issuance or sale of shares of Common Stock as to which the Company has been unable to obtain from any regulatory body having jurisdiction the authority deemed by the Company's counsel to be necessary to the lawful issuance and sale of any shares hereunder; and (b) any tax consequence expected, but not realized, by the Participant or other person due to the receipt, exercise or settlement of any Option granted hereunder.

11. GENERAL

(a) In the event that any provision of these Standard Terms and Conditions is declared to be illegal, invalid or otherwise unenforceable by a court of competent jurisdiction, such provision shall be reformed, if possible, to the extent necessary to render it legal, valid and enforceable, or otherwise deleted, and the remainder of these Standard Terms and Conditions shall not be affected except to the extent necessary to reform or delete such illegal, invalid or unenforceable provision.

(b) The headings preceding the text of the sections hereof are inserted solely for convenience of reference, and shall not constitute a part of these Standard Terms and Conditions, nor shall they affect its meaning, construction or effect. Words in the masculine gender shall include the feminine gender, and where appropriate, the plural shall include the singular and the singular shall include the plural. The use herein of the word "including" following any general statement, term or matter shall not be construed to limit such statement, term or matter to the specific items or matters set forth immediately following such word or to similar items or matters, whether or not non-limiting language (such as "without limitation", "but not limited to", or words of similar import) is used with reference thereto, but rather shall be deemed to refer to all other items or matters that could reasonably fall within the broadest possible scope of such general statement, term or matter. References herein to any agreement, instrument or other document means such agreement, instrument or other document as amended, supplemented and modified from time to time to the extent permitted by the provisions thereof and not prohibited by the Plan or these Standard Terms and Conditions.

(c) These Standard Terms and Conditions shall inure to the benefit of and be binding upon the parties hereto and their respective permitted heirs, beneficiaries, successors and assigns.

(d) These Standard Terms and Conditions shall be construed in accordance with and governed by the laws of the State of Delaware, without regard to principles of conflicts of law.

(e) In the event of any conflict between the Grant Notice, these Standard Terms and Conditions and the Plan, the Grant Notice and these Standard Terms and Conditions shall control.

In the event of any conflict between the Grant Notice and these Standard Terms and Conditions, the Grant Notice shall control.

(f) All questions arising under the Plan or under these Standard Terms and Conditions shall be decided by the Committee in its total and absolute discretion.

12. ELECTRONIC DELIVERY

By executing the Grant Notice, the Participant hereby consents to the delivery of information (including information required to be delivered to the Participant pursuant to applicable securities laws) regarding the Company and the Subsidiaries, the Plan, the Option and the Common Stock via Company web site or other electronic delivery.

EXHIBIT B

CONFIDENTIALITY AND INVENTIONS AGREEMENT

As a condition to the receipt of the Option grants pursuant to the Grant Notice to which this Confidentiality and Inventions Agreement is attached and in consideration of the Participant's continued employment with the Company, the Participant hereby confirms the Participant's agreement as follows:

1. GENERAL

The Participant's employment by the Company is in a capacity in which he or she may have access to, or contribute to the production of, Confidential Information and the Company Work Product (both as defined below). The Participant's employment creates a relationship of confidence and trust between the Company and the Participant with respect to the Confidential Information and the Company Work Product as set forth herein. This Confidentiality and Inventions Agreement are subject to the terms of the Standard Terms and Conditions attached as Exhibit A to the Grant Notice to which this Confidentiality and Inventions Agreement is attached; provided however, that in the event of any conflict between the Standard Terms and Conditions and this Confidentiality and Inventions Agreement, this Confidentiality and Inventions Agreement shall control.

2. DEFINITIONS

Capitalized terms not otherwise defined herein shall have the meaning set forth in the Petco Health and Wellness Company, Inc. 2021 Equity Incentive Plan, as amended from time to time. For purposes of this Confidentiality and Inventions Agreement:

(a) "**Confidential Information**" shall mean information or material (i) that is proprietary to the Company or confidential to the Company, whether or not designated or labeled as such, and (ii) that the Participant creates, discovers or develops, or of which the Participant obtains knowledge of or access to, in the course of the Participant's employment with the Company. Confidential Information may include, but is not limited to, designs, works of authorship, formulae, ideas, concepts, techniques, inventions, devices, improvements, know-how, methods, processes, drawings, specifications, models, data, diagrams, flow charts, research, procedures, computer programs, marketing techniques and materials, business, marketing, development and product plans, financial information, customer lists and contact information, personnel information, and other confidential business or technical information created on behalf of the Company or obtained as a result of or in the course of employment with the Company. For purposes of this Confidentiality and Inventions Agreement, the "**Company**" shall mean the Company or any of its Affiliates. To the extent that the participant can demonstrate by competent proof that one of the following exceptions applies, the Participant shall have no obligation under this Confidentiality and Inventions Agreement to maintain in confidence any: (I) INFORMATION THAT IS OR BECOMES GENERALLY PUBLICLY KNOWN OTHER THAN AS A RESULT OF THE PARTICIPANT'S DISCLOSURE IN VIOLATION OF THIS AGREEMENT, (II) INFORMATION THAT WAS KNOWN BY THE PARTICIPANT OR AVAILABLE TO THE PARTICIPANT WITHOUT RESTRICTION PRIOR TO DISCLOSURE TO THE

EXHIBIT B

CONFIDENTIALITY AND INVENTIONS AGREEMENT

PARTICIPANT BY THE COMPANY, (III) INFORMATION THAT BECOMES AVAILABLE TO THE PARTICIPANT ON A NON-CONFIDENTIAL BASIS FROM A THIRD PARTY THAT IS NOT SUBJECT TO CONFIDENTIALITY OBLIGATIONS IN FAVOR, OR THAT INURE TO THE BENEFIT, OF THE COMPANY, AND (IV) INFORMATION THAT WAS DEVELOPED INDEPENDENTLY BY OR FOR THE PARTICIPANT WITHOUT REFERENCE TO THE CONFIDENTIAL INFORMATION, USE OF COMPANY RESOURCES OR BREACH OF THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, THE "PRE-EMPLOYMENT WORK PRODUCT" (AS DEFINED BELOW).

(b) "**Work Product**" shall mean inventions, data, ideas, designs, drawings, works of authorship, trademarks, service marks, trade names, service names, logos, developments, formulae, concepts, techniques, devices, improvements, know-how, methods, processes, programs and discoveries, whether or not patentable or protectable under applicable copyright or trademark law, or under other similar law, and whether or not reduced to practice or tangible form, together with any improvements thereon or thereto, derivative works therefrom, and intellectual property rights therein created on behalf of the Company as part of the obligation of employment in performing work for the Company or otherwise in the course of employment with the Company.

3. CONFIDENTIALITY

(a) During the term of the Participant's employment by the Company and at all times thereafter, The Participant will keep in strict confidence and trust all Confidential Information, and the Participant will not, directly or indirectly, disclose, distribute, sell, transfer, use, lecture upon or publish any Confidential Information, except as may be necessary in the course of performing the Participant's duties as an employee of the Company or as the Company authorizes or permits. Notwithstanding the foregoing, the Participant shall be entitled to continue to use Confidential Information of the Company transferred to a purchaser ("**Purchaser**") of all or substantially all of the assets of a business ("**Business**") of Company (an "**Acquisition**") solely to the extent that the Participant becomes an employee of such Purchaser or Purchaser's designated affiliate upon consummation of the Acquisition and such Confidential Information is used in the Business prior to consummation of the Acquisition. The Participant acknowledges and agrees that, upon consummation of the Acquisition, the Confidential Information shall be deemed the Confidential Information of the Purchaser and subject to the Participant's applicable employment, confidentiality and inventions assignment agreement with such Purchaser.

(b) The Participant recognizes that the Company has received and in the future will receive information from third parties which is subject to an obligation on the Company's part to maintain the confidentiality of such information and to use it only for certain limited purposes. The Participant agrees, during the term of the Participant's employment and thereafter, to hold all such confidential or proprietary information of third parties in the strictest confidence and not to disclose or use it, except as necessary in performing the Participant's duties as an employee of the Company consistent with the Company's agreement with such third party. The Participant agrees that such information will be subject to the terms of this Confidentiality and Inventions Agreement as Confidential Information.

(c) **Trade Secrets Disclosure.** 18 U.S.C. § 1833(b) provides: “An individual shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that—(A) is made—(i) in confidence to a Federal, State, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal.” Nothing in this Agreement is intended to conflict with 18 U.S.C. § 1833(b) or create liability for disclosures of trade secrets that are expressly allowed by 18 U.S.C. § 1833(b). Accordingly, the parties to this Agreement have the right to disclose in confidence trade secrets to federal, state, and local government officials, or to an attorney, for the sole purpose of reporting or investigating a suspected violation of law. The parties also have the right to disclose trade secrets in a document filed in a lawsuit or other proceeding, but only if the filing is made under seal and protected from public disclosure. By signing this Confidentiality and Inventions Agreement, the Participant agrees to waive his or his or her right to recover individual relief based on any claims asserted in such a complaint or charge; provided, however, that nothing in this Confidentiality and Inventions Agreement limits the Participant’s right to receive an award for information he provides to any government agencies that are authorized to provide monetary or other awards to eligible individuals who come forward with information that leads to an agency enforcement action.

4. COMPANY PROPERTY

All apparatus, computers, computer files and media, notes, data, documents, reference materials, sketches, memoranda, records, drawings, engineering log books, equipment, lab/inventor notebooks, programs, prototypes, samples, equipment, tangible embodiments of information, and other physical property, whether or not pertaining to Confidential Information, furnished to the Participant or produced by the Participant or others in connection with the Participant’s employment, shall be and remain the sole property of the Company and any such property actually in the Participant’s possession or control shall be returned promptly to the Company as and when requested in writing by the Company. Should the Company not so request, the Participant shall return and deliver all such property to the Company upon termination of the Participant’s employment. The Participant may not retain any such property or any reproduction of such property upon such termination. The Participant further agrees that any property situated on the Company’s premises and owned, leased, maintained or otherwise contracted for by the Company, including, but not limited to, computers, computer files, e-mail, voicemail, disks and other electronic storage media, filing cabinets, desks or other work areas, are subject to inspection by the Company’s representatives at any time with or without notice.

5. COMPANY WORK PRODUCT

Subject to Section 6 and 7 below, the Participant agrees that any Work Product, in whole or in part, conceived, developed, made or reduced to practice by the Participant (either solely or in conjunction with others) during the term of his or her employment with the Company (collectively, the “**Company Work Product**”) shall be owned exclusively by the Company (or, to the extent applicable, a Purchaser pursuant to an Acquisition). Without limiting the foregoing, the Participant agrees that any of the Company Work Product shall be deemed to be “works made for hire” as defined in U.S. Copyright Act §101, and all right, title, and interest therein shall vest solely in the Company from conception. The Participant hereby irrevocably assigns and transfers, and agrees to assign and transfer in the future on the Company’s request, to the Company all right, title and interest in and to any Company Work Product, including, but not

limited to, patents, copyrights and other intellectual property rights therein. The Participant shall treat any such Company Work Product as Confidential Information. The Participant will execute all applications, assignments, instruments and other documents and perform all acts consistent herewith as the Company or its counsel may deem necessary or desirable to obtain, perfect or enforce any patents, copyright registrations or other protections on such Company Work Product and to otherwise protect the interests of the Company therein. The Participant's obligation to reasonably assist the Company in obtaining and enforcing the intellectual property and other rights in the Company Work Product in any and all jurisdictions shall continue beyond the termination of the Participant's employment. The Participant acknowledges that the Company may need to secure the Participant's signature for lawful and necessary documents required to apply for, maintain or enforce intellectual property and other rights with respect to the Company Work Product (including, but not limited to, renewals, extensions, continuations, divisions or continuations in part of patent applications). The Participant hereby irrevocably designates and appoints the Company and its duly authorized officers and agents, as the Participant's agents and attorneys-in-fact, to act for and on the Participant's behalf and instead of the Participant, to execute and file any such document(s) and to do all other lawfully permitted acts to further the prosecution, issuance and enforcement of patents, copyright registrations and other protections on the Company Work Product with the same legal force and effect as if executed by the Participant. The Participant further hereby waives and relinquishes any and all moral rights that the Participant may have in the Company Work Product.

6. EXCEPTION TO ASSIGNMENTS

Pursuant to Section 2870 of the California Labor Code, the requirements set forth in Section 5 of this Agreement shall not apply to an invention that the Participant develops entirely on his or her own time without using the Company's equipment, supplies, facilities, or trade secret information except for those inventions that either: (i) relate at the time of conception or reduction to practice of the invention to the Company's business, or actual or demonstrably anticipated research or development of the Company; or (ii) result from any work performed by the Participant for the Company.

7. PRE-EMPLOYMENT WORK PRODUCT

(a) Work Product includes only things done for the Company in performing work for the Company.

(b) The Participant acknowledges that the Company has a strict policy against using proprietary information belonging to any other person or entity without the express permission of the owner of that information. The Participant represents and warrants that the Participant's performance of all of the terms of this Confidentiality and Inventions Agreement and as an employee of the Company does not and will not result in a breach of any duty owed by the Participant to a third party to keep in confidence any information, knowledge or data. The Participant has not brought or used, and will not bring to the Company, or use, induce the Company to use, or disclose in the performance of the Participant's duties, nor has the Participant used or disclosed in the performance of any services for the Company prior to the effective date of the Participant's employment with the Company (if any), any equipment, supplies, facility, electronic media, software, trade secret or other information or property of any former employer or any other person or entity, unless the Participant has obtained their written authorization for its possession and use.

8. RECORDS

The Participant agrees that he or she will keep and maintain adequate and current written records (in the form of notes, sketches, drawings or such other form(s) as may be specified by the Company) of all the Company Work Product made by the Participant during the term of his or her employment with the Company, which records shall be available at all times to the Company and shall remain the sole property of the Company.

9. PRESUMPTION

If any application for any United States or foreign patent related to or useful in the business of the Company or any customer of the Company shall be filed by or for the Participant during the period of one year after the Participant's employment is terminated, the subject matter covered by such application shall be presumed to have been conceived during the Participant's employment with the Company.

10. AGREEMENTS WITH THIRD PARTIES OR THE U.S. GOVERNMENT.

The Participant acknowledges that the Company from time to time may have agreements with other persons or entities, or with the U.S. Government or agencies thereof, which impose obligations or restrictions on the Company regarding inventions made during the course of work thereunder or regarding the confidential nature of such work. The Participant agrees to be bound by all such obligations and restrictions of which the Participant has been made aware of by the Company and to take all action necessary to discharge the obligations of the Company thereunder.

11. INJUNCTIVE RELIEF

Because of the unique nature of the Confidential Information and the Company Work Product, the Participant understands and agrees that the Company may suffer immediate and irreparable harm if the Participant fails to comply with any of his or her obligations under this Confidentiality and Inventions Agreement and that monetary damages may be inadequate to compensate the Company for such breach. Accordingly, the Participant agrees that in the event of a breach or threatened breach of this Confidentiality and Inventions Agreement, in addition to any other remedies available to it at law or in equity, the Company will be entitled, without posting bond or other security, to seek injunctive relief to enforce the terms of this Confidentiality and Inventions Agreement, including, but not limited to, restraining the Participant from violating this Confidentiality and Inventions Agreement or compelling the Participant to cease and desist all unauthorized use and disclosure of the Confidential Information and the Company Work Product. The Participant will indemnify the Company against any costs, including, but not limited to, reasonable outside legal fees and costs, incurred in obtaining relief against the Participant's breach of this Confidentiality and Inventions Agreement. Nothing in this Section 11 shall be construed as prohibiting the Company from pursuing any other remedies available to it for such breach or threatened breach, including, but not limited to, recovery of damages.

12. DISCLOSURE OF OBLIGATIONS

The Participant is hereby permitted and the Participant authorizes the Company to provide a copy of this Confidentiality and Inventions Agreement and any exhibits hereto to any of the Participant's future employers, and to notify any such future employers of the Participant's obligations and the Company's rights hereunder, provided that neither party is under any obligation to do so.

13. JURISDICTION AND VENUE

This Confidentiality and Inventions Agreement will be governed by the laws of the State of California without regard to any conflicts-of-law rules. To the extent that any lawsuit is permitted under this Confidentiality and Inventions Agreement, the Participant hereby expressly consents to the personal and exclusive jurisdiction and venue of the state and federal courts located in San Diego, California for any lawsuit filed against the Participant by the Company. Nothing herein shall limit the right of the Company to seek and obtain injunctive relief in any jurisdiction for violation of the portions of this Confidentiality and Inventions Agreement dealing with protection of Confidential Information or the Company Work Product.

14. ASSIGNMENT; INUREMENT

Neither this Confidentiality and Inventions Agreement nor any duties or obligations under this Confidentiality and Inventions Agreement may be assigned by the Participant without the prior written consent of the Company. The Participant understands and agrees that the Company may freely assign this Confidentiality and Inventions Agreement. This Agreement shall inure to the benefit of, and shall be binding upon, the permitted assigns, successors in interest (including any Purchaser upon consummation of an Acquisition), personal representatives, estates, heirs, and legatees of each of the parties hereto. Any assignment in violation of this Section 14 shall be null and void.

15. SURVIVORSHIP

The rights and obligations of the parties to this Confidentiality and Inventions Agreement will survive termination of my employment with the Company.

16. MISCELLANEOUS

In the event that any provision hereof or any obligation or grant of rights by the Participant hereunder is found invalid or unenforceable pursuant to judicial decree or decision, any such provision, obligation or grant of rights shall be deemed and construed to extend only to the maximum permitted by law, the invalid or unenforceable portions shall be severed, and the remainder of this Confidentiality and Inventions Agreement shall remain valid and enforceable according to its terms. This Confidentiality and Inventions Agreement may not be amended, waived or modified, except by an instrument in writing executed by the Participant and a duly authorized representative of the Company.

17. ACKNOWLEDGMENT

EMPLOYEE ACKNOWLEDGES THAT, IN EXECUTING THE GRANT NOTICE TO WHICH THIS CONFIDENTIALITY AND INVENTIONS AGREEMENT IS ATTACHED, EMPLOYEE HAS HAD THE OPPORTUNITY TO SEEK THE ADVICE OF INDEPENDENT LEGAL COUNSEL, AND EMPLOYEE HAS READ AND UNDERSTOOD ALL OF THE TERMS AND PROVISIONS OF THIS CONFIDENTIALITY AND INVENTIONS AGREEMENT. (i) [*"Termination Date"*] means the date of the Participant's Termination of Employment.

3. RIGHTS AS STOCKHOLDER; DIVIDEND EQUIVALENTS

(a) Participant shall not be, nor have any of the rights or privileges of, a stockholder of the Company in respect of any PSUs unless and until shares of Common Stock settled for such PSUs shall have been issued by the Company to Participant (as evidenced by the appropriate entry on the books of the Company or of a duly authorized transfer agent of the Company).

(b) Notwithstanding the foregoing, from and after the Grant Date and until the earlier of (i) the Participant's receipt of Common Stock upon payment of PSUs and (ii) the time when the Participant's right to receive Common Stock upon payment of PSUs is forfeited, on the date that the Company pays a cash dividend (if any) to holders of Common Stock generally, the Participant shall be entitled, as a Dividend Equivalent, to a number of additional whole PSUs determined by dividing (i) the product of (A) the dollar amount of the cash dividend paid per share of Common Stock on such date and (B) the total number of PSUs (including dividend equivalents paid thereon) previously credited to the Participant as of such date, by (ii) the Fair Market Value per share of Common Stock on such date. Such Dividend Equivalents (if any) shall be subject to the same terms and conditions and shall be settled or forfeited in the same manner and at the same time as the PSUs to which the Dividend Equivalents were credited.

4. RESTRICTIONS ON REALES OF SHARES

The Company may impose such restrictions, conditions or limitations as it determines appropriate as to the timing and manner of any resales by the Participant or other subsequent transfers by the Participant of any shares of Common Stock issued pursuant to Vested PSUs, including (a) restrictions under an insider trading policy, (b) restrictions designed to delay and/or coordinate the timing and manner of sales by Participant and other holders and (c) restrictions as to the use of a specified brokerage firm for such resales or other transfers.

5. INCOME TAXES

To the extent required by applicable federal, state, local or foreign law, the Participant shall make arrangements satisfactory to the Company for the satisfaction of any withholding tax obligations that arise by reason of the grant or vesting of the PSUs. The Company shall not be required to issue shares or to recognize the disposition of such shares until such obligations are satisfied.

6. NON-TRANSFERABILITY OF AWARD

The Participant understands, acknowledges and agrees that, except as otherwise provided in the Plan or as permitted by the Committee, the Award may not be sold, assigned, transferred, pledged or otherwise directly or indirectly encumbered or disposed of other than by will or the laws of descent and distribution.

7. OTHER AGREEMENTS SUPERSEDED

The Grant Notice, these Standard Terms and Conditions, the Confidentiality and Inventions Agreement and the Plan constitute the entire understanding between the Participant and the Company regarding the Award. Any prior agreements, commitments or negotiations concerning the Award are superseded; provided, however, that the terms of the Confidentiality and Inventions Agreement are in addition to and complement (and do not replace or supersede) all other agreements and obligations between the Company and any of its affiliates and the Participant with respect to confidentiality and intellectual property.

8. LIMITATION OF INTEREST IN SHARES SUBJECT TO PERFORMANCE STOCK UNITS

Neither the Participant (individually or as a member of a group) nor any beneficiary or other person claiming under or through the Participant shall have any right, title, interest, or privilege in or to any shares of Common Stock allocated or reserved for the purpose of the Plan or subject to the Grant Notice or these Standard Terms and Conditions except as to such shares of Common Stock, if any, as shall have been issued to such person in connection with the Award. Nothing in the Plan, in the Grant Notice, these Standard Terms and Conditions or any other instrument executed pursuant to the Plan shall confer upon the Participant any right to continue in the Company's employ or service nor limit in any way the Company's right to terminate the Participant's employment at any time for any reason.

9. GENERAL

(a) In the event that any provision of these Standard Terms and Conditions is declared to be illegal, invalid or otherwise unenforceable by a court of competent jurisdiction, such provision shall be reformed, if possible, to the extent necessary to render it legal, valid and enforceable, or otherwise deleted, and the remainder of these Standard Terms and Conditions shall not be affected except to the extent necessary to reform or delete such illegal, invalid or unenforceable provision.

(b) The headings preceding the text of the sections hereof are inserted solely for convenience of reference, and shall not constitute a part of these Standard Terms and Conditions, nor shall they affect its meaning, construction or effect. Words in the masculine gender shall include the feminine gender, and where appropriate, the plural shall include the singular and the singular shall include the plural. The use herein of the word “including” following any general statement, term or matter shall not be construed to limit such statement, term or matter to the specific items or matters set forth immediately following such word or to similar items or matters, whether or not non-limiting language (such as “without limitation”, “but not limited to”, or words of similar import) is used with reference thereto, but rather shall be deemed to refer to all other items or matters that could reasonably fall within the broadest possible scope of such general statement, term or matter. References herein to any agreement, instrument or other document means such agreement, instrument or other document as amended, supplemented and modified from time to time to the extent permitted by the provisions thereof and not prohibited by the Plan or these Standard Terms and Conditions.

(c) These Standard Terms and Conditions shall inure to the benefit of and be binding upon the parties hereto and their respective permitted heirs, beneficiaries, successors and assigns.

(d) These Standard Terms and Conditions shall be construed in accordance with and governed by the laws of the State of Delaware, without regard to principles of conflicts of law.

(e) In the event of any conflict between the Grant Notice, these Standard Terms and Conditions and the Plan, the Grant Notice and these Standard Terms and Conditions shall control. (f) All questions arising under the Plan or under these Standard Terms and Conditions shall be decided by the Committee in its total and absolute discretion.

EXHIBIT B

As a condition to the receipt of the Award granted pursuant to the Grant Notice to which this Confidentiality and Inventions Agreement is attached and in consideration of the Participant's continued employment with the Company, the Participant hereby confirms the Participant's agreement as follows:

1. GENERAL

The Participant's employment by the Company is in a capacity in which he or she may have access to, or contribute to the production of, Confidential Information and the Company Work Product (both as defined below). The Participant's employment creates a relationship of confidence and trust between the Company and the Participant with respect to the Confidential Information and the Company Work Product as set forth herein. This Confidentiality and Inventions Agreement are subject to the terms of the Standard Terms and Conditions attached as Exhibit A to the Grant Notice to which this Confidentiality and Inventions Agreement is attached; provided however, that in the event of any conflict between the Standard Terms and Conditions and this Confidentiality and Inventions Agreement, this Confidentiality and Inventions Agreement shall control.

2. DEFINITIONS

Capitalized terms not otherwise defined herein shall have the meaning set forth in the Petco Health and Wellness Company, Inc. 2021 Equity Incentive Plan, as amended from time to time. For purposes of this Confidentiality and Inventions Agreement:

(a) "**Confidential Information**" shall mean information or material (i) that is proprietary to the Company or confidential to the Company, whether or not designated or labeled as such, and (ii) that the Participant creates, discovers or develops, or of which the Participant obtains knowledge of or access to, in the course of the Participant's employment with the Company. Confidential Information may include, but is not limited to, designs, works of authorship, formulae, ideas, concepts, techniques, inventions, devices, improvements, know-how, methods, processes, drawings, specifications, models, data, diagrams, flow charts, research, procedures, computer programs, marketing techniques and materials, business, marketing, development and product plans, financial information, customer lists and contact information, personnel information, and other confidential business or technical information created on behalf of the Company or obtained as a result of or in the course of employment with the Company. For purposes of this Confidentiality and Inventions Agreement, the "**Company**" shall mean the Company or any of its Affiliates. To the extent that the participant can demonstrate by competent proof that one of the following exceptions applies, the Participant shall have no obligation under this Confidentiality and Inventions Agreement to maintain in confidence any: (I) INFORMATION THAT IS OR BECOMES GENERALLY PUBLICLY KNOWN OTHER THAN AS A RESULT OF THE PARTICIPANT'S DISCLOSURE IN VIOLATION OF THIS AGREEMENT, (II) INFORMATION THAT WAS KNOWN BY THE PARTICIPANT OR AVAILABLE TO THE PARTICIPANT WITHOUT RESTRICTION PRIOR TO DISCLOSURE TO THE PARTICIPANT BY THE COMPANY, (III) INFORMATION THAT BECOMES AVAILABLE TO THE PARTICIPANT ON A NON-CONFIDENTIAL BASIS FROM A THIRD PARTY

EXHIBIT B

CONFIDENTIALITY AND INVENTIONS AGREEMENT

THAT IS NOT SUBJECT TO CONFIDENTIALITY OBLIGATIONS IN FAVOR, OR THAT INURE TO THE BENEFIT, OF THE COMPANY, AND (IV) INFORMATION THAT WAS DEVELOPED INDEPENDENTLY BY OR FOR THE PARTICIPANT WITHOUT REFERENCE TO THE CONFIDENTIAL INFORMATION, USE OF COMPANY RESOURCES OR BREACH OF THIS AGREEMENT, INCLUDING, WITHOUT LIMITATION, THE “PRE-EMPLOYMENT WORK PRODUCT” (AS DEFINED BELOW).

(b) “**Work Product**” shall mean inventions, data, ideas, designs, drawings, works of authorship, trademarks, service marks, trade names, service names, logos, developments, formulae, concepts, techniques, devices, improvements, know-how, methods, processes, programs and discoveries, whether or not patentable or protectable under applicable copyright or trademark law, or under other similar law, and whether or not reduced to practice or tangible form, together with any improvements thereon or thereto, derivative works therefrom, and intellectual property rights therein created on behalf of the Company as part of the obligation of employment in performing work for the Company or otherwise in the course of employment with the Company.

3. CONFIDENTIALITY

(a) During the term of the Participant’s employment by the Company and at all times thereafter, The Participant will keep in strict confidence and trust all Confidential Information, and the Participant will not, directly or indirectly, disclose, distribute, sell, transfer, use, lecture upon or publish any Confidential Information, except as may be necessary in the course of performing the Participant’s duties as an employee of the Company or as the Company authorizes or permits. Notwithstanding the foregoing, the Participant shall be entitled to continue to use Confidential Information of the Company transferred to a purchaser (“**Purchaser**”) of all or substantially all of the assets of a business (“**Business**”) of Company (an “**Acquisition**”) solely to the extent that the Participant becomes an employee of such Purchaser or Purchaser’s designated affiliate upon consummation of the Acquisition and such Confidential Information is used in the Business prior to consummation of the Acquisition. The Participant acknowledges and agrees that, upon consummation of the Acquisition, the Confidential Information shall be deemed the Confidential Information of the Purchaser and subject to the Participant’s applicable employment, confidentiality and inventions assignment agreement with such Purchaser.

(b) The Participant recognizes that the Company has received and in the future will receive information from third parties which is subject to an obligation on the Company’s part to maintain the confidentiality of such information and to use it only for certain limited purposes. The Participant agrees, during the term of the Participant’s employment and thereafter, to hold all such confidential or proprietary information of third parties in the strictest confidence and not to disclose or use it, except as necessary in performing the Participant’s duties as an employee of the Company consistent with the Company’s agreement with such third party. The Participant agrees that such information will be subject to the terms of this Confidentiality and Inventions Agreement as Confidential Information.

(c) Trade Secrets Disclosure. 18 U.S.C. § 1833(b) provides: “An individual shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that—(A) is made—(i) in confidence to a Federal, State, or local government official, either directly or indirectly, or to an attorney; and (ii) solely for the purpose of reporting or

investigating a suspected violation of law; or (B) is made in a complaint or other document filed in a lawsuit or other proceeding, if such filing is made under seal.” Nothing in this Agreement is intended to conflict with 18 U.S.C. § 1833(b) or create liability for disclosures of trade secrets that are expressly allowed by 18 U.S.C. § 1833(b). Accordingly, the parties to this Agreement have the right to disclose in confidence trade secrets to federal, state, and local government officials, or to an attorney, for the sole purpose of reporting or investigating a suspected violation of law. The parties also have the right to disclose trade secrets in a document filed in a lawsuit or other proceeding, but only if the filing is made under seal and protected from public disclosure. By signing this Confidentiality and Inventions Agreement, the Participant agrees to waive his or his or her right to recover individual relief based on any claims asserted in such a complaint or charge; provided, however, that nothing in this Confidentiality and Inventions Agreement limits the Participant’s right to receive an award for information he provides to any government agencies that are authorized to provide monetary or other awards to eligible individuals who come forward with information that leads to an agency enforcement action.

4. COMPANY PROPERTY

All apparatus, computers, computer files and media, notes, data, documents, reference materials, sketches, memoranda, records, drawings, engineering log books, equipment, lab/inventor notebooks, programs, prototypes, samples, equipment, tangible embodiments of information, and other physical property, whether or not pertaining to Confidential Information, furnished to the Participant or produced by the Participant or others in connection with the Participant’s employment, shall be and remain the sole property of the Company and any such property actually in the Participant’s possession or control shall be returned promptly to the Company as and when requested in writing by the Company. Should the Company not so request, the Participant shall return and deliver all such property to the Company upon termination of the Participant’s employment. The Participant may not retain any such property or any reproduction of such property upon such termination. The Participant further agrees that any property situated on the Company’s premises and owned, leased, maintained or otherwise contracted for by the Company, including, but not limited to, computers, computer files, e-mail, voicemail, disks and other electronic storage media, filing cabinets, desks or other work areas, are subject to inspection by the Company’s representatives at any time with or without notice.

5. COMPANY WORK PRODUCT

Subject to Section 6 and 7 below, the Participant agrees that any Work Product, in whole or in part, conceived, developed, made or reduced to practice by the Participant (either solely or in conjunction with others) during the term of his or her employment with the Company (collectively, the “**Company Work Product**”) shall be owned exclusively by the Company (or, to the extent applicable, a Purchaser pursuant to an Acquisition). Without limiting the foregoing, the Participant agrees that any of the Company Work Product shall be deemed to be “works made for hire” as defined in U.S. Copyright Act §101, and all right, title, and interest therein shall vest solely in the Company from conception. The Participant hereby irrevocably assigns and transfers, and agrees to assign and transfer in the future on the Company’s request, to the Company all right, title and interest in and to any Company Work Product, including, but not limited to, patents, copyrights and other intellectual property rights therein. The Participant shall treat any such Company Work Product as Confidential Information. The Participant will execute all applications, assignments,

instruments and other documents and perform all acts consistent herewith as the Company or its counsel may deem necessary or desirable to obtain, perfect or enforce any patents, copyright registrations or other protections on such Company Work Product and to otherwise protect the interests of the Company therein. The Participant's obligation to reasonably assist the Company in obtaining and enforcing the intellectual property and other rights in the Company Work Product in any and all jurisdictions shall continue beyond the termination of the Participant's employment. The Participant acknowledges that the Company may need to secure the Participant's signature for lawful and necessary documents required to apply for, maintain or enforce intellectual property and other rights with respect to the Company Work Product (including, but not limited to, renewals, extensions, continuations, divisions or continuations in part of patent applications). The Participant hereby irrevocably designates and appoints the Company and its duly authorized officers and agents, as the Participant's agents and attorneys-in-fact, to act for and on the Participant's behalf and instead of the Participant, to execute and file any such document(s) and to do all other lawfully permitted acts to further the prosecution, issuance and enforcement of patents, copyright registrations and other protections on the Company Work Product with the same legal force and effect as if executed by the Participant. The Participant further hereby waives and relinquishes any and all moral rights that the Participant may have in the Company Work Product.

6. EXCEPTION TO ASSIGNMENTS

Pursuant to Section 2870 of the California Labor Code, the requirements set forth in Section 5 of this Agreement shall not apply to an invention that the Participant develops entirely on his or her own time without using the Company's equipment, supplies, facilities, or trade secret information except for those inventions that either: (i) relate at the time of conception or reduction to practice of the invention to the Company's business, or actual or demonstrably anticipated research or development of the Company; or (ii) result from any work performed by the Participant for the Company.

7. PRE-EMPLOYMENT WORK PRODUCT

(a) Work Product includes only things done for the Company in performing work for the Company.

(b) The Participant acknowledges that the Company has a strict policy against using proprietary information belonging to any other person or entity without the express permission of the owner of that information. The Participant represents and warrants that the Participant's performance of all of the terms of this Confidentiality and Inventions Agreement and as an employee of the Company does not and will not result in a breach of any duty owed by the Participant to a third party to keep in confidence any information, knowledge or data. The Participant has not brought or used, and will not bring to the Company, or use, induce the Company to use, or disclose in the performance of the Participant's duties, nor has the Participant used or disclosed in the performance of any services for the Company prior to the effective date of the Participant's employment with the Company (if any), any equipment, supplies, facility, electronic media, software, trade secret or other information or property of any former employer or any other person or entity, unless the Participant has obtained their written authorization for its possession and use.

8. RECORDS

The Participant agrees that he or she will keep and maintain adequate and current written records (in the form of notes, sketches, drawings or such other form(s) as may be specified by the Company) of all the Company Work Product made by the Participant during the term of his or her employment with the Company, which records shall be available at all times to the Company and shall remain the sole property of the Company.

9. PRESUMPTION

If any application for any United States or foreign patent related to or useful in the business of the Company or any customer of the Company shall be filed by or for the Participant during the period of one year after the Participant's employment is terminated, the subject matter covered by such application shall be presumed to have been conceived during the Participant's employment with the Company.

10. AGREEMENTS WITH THIRD PARTIES OR THE U.S. GOVERNMENT.

The Participant acknowledges that the Company from time to time may have agreements with other persons or entities, or with the U.S. Government or agencies thereof, which impose obligations or restrictions on the Company regarding inventions made during the course of work thereunder or regarding the confidential nature of such work. The Participant agrees to be bound by all such obligations and restrictions of which the Participant has been made aware of by the Company and to take all action necessary to discharge the obligations of the Company thereunder.

11. INJUNCTIVE RELIEF

Because of the unique nature of the Confidential Information and the Company Work Product, the Participant understands and agrees that the Company may suffer immediate and irreparable harm if the Participant fails to comply with any of his or her obligations under this Confidentiality and Inventions Agreement and that monetary damages may be inadequate to compensate the Company for such breach. Accordingly, the Participant agrees that in the event of a breach or threatened breach of this Confidentiality and Inventions Agreement, in addition to any other remedies available to it at law or in equity, the Company will be entitled, without posting bond or other security, to seek injunctive relief to enforce the terms of this Confidentiality and Inventions Agreement, including, but not limited to, restraining the Participant from violating this Confidentiality and Inventions Agreement or compelling the Participant to cease and desist all unauthorized use and disclosure of the Confidential Information and the Company Work Product. The Participant will indemnify the Company against any costs, including, but not limited to, reasonable outside legal fees and costs, incurred in obtaining relief against the Participant's breach of this Confidentiality and Inventions Agreement. Nothing in this Section 11 shall be construed as prohibiting the Company from pursuing any other remedies available to it for such breach or threatened breach, including, but not limited to, recovery of damages.

12. DISCLOSURE OF OBLIGATIONS

The Participant is hereby permitted and the Participant authorizes the Company to provide a copy of this Confidentiality and Inventions Agreement and any exhibits hereto to any of the Participant's future employers, and to notify any such future employers of the Participant's obligations and the Company's rights hereunder, provided that neither party is under any obligation to do so.

13. JURISDICTION AND VENUE

This Confidentiality and Inventions Agreement will be governed by the laws of the State of California without regard to any conflicts-of-law rules. To the extent that any lawsuit is permitted under this Confidentiality and Inventions Agreement, the Participant hereby expressly consents to the personal and exclusive jurisdiction and venue of the state and federal courts located in San Diego, California for any lawsuit filed against the Participant by the Company. Nothing herein shall limit the right of the Company to seek and obtain injunctive relief in any jurisdiction for violation of the portions of this Confidentiality and Inventions Agreement dealing with protection of Confidential Information or the Company Work Product.

14. ASSIGNMENT; INUREMENT

Neither this Confidentiality and Inventions Agreement nor any duties or obligations under this Confidentiality and Inventions Agreement may be assigned by the Participant without the prior written consent of the Company. The Participant understands and agrees that the Company may freely assign this Confidentiality and Inventions Agreement. This Agreement shall inure to the benefit of, and shall be binding upon, the permitted assigns, successors in interest (including any Purchaser upon consummation of an Acquisition), personal representatives, estates, heirs, and legatees of each of the parties hereto. Any assignment in violation of this Section 14 shall be null and void.

15. SURVIVORSHIP

The rights and obligations of the parties to this Confidentiality and Inventions Agreement will survive termination of my employment with the Company.

16. MISCELLANEOUS

In the event that any provision hereof or any obligation or grant of rights by the Participant hereunder is found invalid or unenforceable pursuant to judicial decree or decision, any such provision, obligation or grant of rights shall be deemed and construed to extend only to the maximum permitted by law, the invalid or unenforceable portions shall be severed, and the remainder of this Confidentiality and Inventions Agreement shall remain valid and enforceable according to its terms. This Confidentiality and Inventions Agreement may not be amended, waived or modified, except by an instrument in writing executed by the Participant and a duly authorized representative of the Company.

17. ACKNOWLEDGMENT

EMPLOYEE ACKNOWLEDGES THAT, IN EXECUTING THE GRANT NOTICE TO WHICH THIS CONFIDENTIALITY AND INVENTIONS AGREEMENT IS ATTACHED, EMPLOYEE HAS HAD THE OPPORTUNITY TO SEEK THE ADVICE OF INDEPENDENT LEGAL COUNSEL, AND EMPLOYEE HAS READ AND UNDERSTOOD ALL OF THE TERMS AND PROVISIONS OF THIS CONFIDENTIALITY AND INVENTIONS AGREEMENT. THIS CONFIDENTIALITY AND INVENTIONS AGREEMENT SHALL NOT BE CONSTRUED AGAINST ANY PARTY BY REASON OF THE DRAFTING OR PREPARATION HEREOF.
